How to Bring Exhibits to the Fair

Is this your first year participating at the Saratoga County Fair? Here is what is needed to have an exhibit displayed in the 4-H Building at the county fair, step by step.

Step 1: Stop by the 4-H Office at 50 West High Street and pick up these 3 items; **a 4-H Exhibitors Handbook, entry forms**, and a handful of **exhibit tags**. Advance entry forms are needed for non-static exhibits (including all animals, pet care, group action booths and club exhibits).

Step 2: Read the rules in the Exhibitors Handbook on pages 2-3. Find the department the exhibit fits - for example, Pet Care is Dept. 12. Read the bulleted general rules for the department found directly under the title.

- Select the section and class, follow the rules there as well.
 - For example, Pet Care is Dept. 12 Section A, Class 1

Step 3: Using the Exhibitors Handbook, fill out the **entry form**. List all the items to be exhibited.

Step 4:

- Fill out an **exhibitor's tag** for each exhibit; Name, Town and Club.
- Use the entry form to fill in **Dept., Section, and Class**.
- Under **Exhibit**, write the name or a brief description of the item.
- Add the **Variety** for vegetables and flowers and photographs.

Step 5: Attach the entry tags to the exhibits. Use pins for garments, tape on flat objects such as photos or drawings, or punch a hole in one corner of the entry tag and use string to tie it on.

Step 6: **Saturday, July 19th, 9:30am- 4:00pm is County Fair Exhibit Judging Day.** Bring the exhibits and the paperwork to the 4-H Building at the Saratoga County fairgrounds. At the end of the judging process, turn the entry form in at the table in the center of the building and get a fair pass. Keep your copy of the entry form. The exhibits will be left at the 4-H building and be displayed during the fair, July 22-27. ***Please note - advanced entry forms are turned in directly to the CCE office by July 7th - no exceptions!***

Step 7: After Fair, stop by the 4-H Building Monday, July 28th, 9am - 6pm, and pick up your items. A helpful hint, bring the original entry form with the list of fair items to remember all of your items.

If you have any questions, please call us at the office at 518-885-8995.

4-H Leaders

News from Leaders Association

Here are some quick updates from our 4-H Leaders Association:

The golf tournament was a huge success, our best fundraiser to date! Thank you to all that participated and helped make it such a great day!

Chicken BBQ is coming up on Thursday, July 24th at the Saratoga County Fair or pick-up available at the Training Center. Please register here: www.sc4h.org

Did you know that Saratoga County 4-H Leader's Association provides many opportunities for our 4-H'ers? This includes helping to pay for many teen trips, giving out scholarships to high school seniors/college freshmen and allowing clubs to do things they couldn't normally do.

Did you know that all leaders in Saratoga County 4-H are members of the Leaders Association? That means that many of you receiving these Highlights are already members. Please consider becoming more active by attending meetings (5 a year) or helping out when you get the call.

Please join us for our next meeting on September 15th at 6:30pm at the CCE building, 50 West High Street, Ballston Spa.

4-H Leaders BBQ Fundraiser

The Annual Chicken BBQ will be held on Thursday, July 24th from 4-7pm.

This year's BBQ will have order **pick-up at the 4-H Training Center (Pre-Order required)** as well as "Eat-In" at the Saratoga County Fair. Advanced orders can be made at sc4h.org. There is a lot of work that goes into getting things ready for the BBQ, and you can help! Please call the 4-H office at 518.885.8995 to sign-up to volunteer!

We are also looking for pie sponsors. A pie sponsorship is \$12, and can be paid by check or cash to the 4-H office or ordered at www.sc4h.org. Checks should be payable to "4-H Leaders Association".

County Fair

Animal Health Considerations

Showing animals at the County Fair presents a risk for disease transmission. Proper precautions taken before, during, and after the fair can help to decrease an animal's exposure to infectious disease, and help to protect your animals at home as well.

Before the fair, make sure that animals have all the required vaccinations, complete any tests required for your particular species, and be sure that you have all of the necessary documentation. Try to minimize stress on the animals and offer the same feeds that you will be taking to the fair. Transport your animals to the fair in clean trailers and avoid the use of commercial trailers.

During the fair, be sure that your animals always have fresh water available and continue the same feeds that were being used at home. Provide plenty of clean bedding as required for each species. As much as possible, do not allow nose to nose contact with animals from other farms, do not share equipment, and use only buckets and tubs from your own farm. For milking animals, it is best to use your own milker claw in common milking parlors. If you bring your own milking unit, do not allow others to use it.

After the fair, isolate show animals from the main herd for 3-4 weeks upon return. Use separate tools and feed equipment while caring for returning animals, and modify the work routine so that they are taken care of last, potentially stopping the spread of contaminants to other animals. Monitor the animals for signs of disease such as fever, diarrhea, skin abnormalities, heel warts, mastitis, or abortions, while minimizing stress as much as possible. If the home herd or flock is up to date on all vaccinations, it will lessen the chance of a disease outbreak due to infection carried home by show animals.

Do not make the mistake of exposing your entire herd or flock to the threat of disease brought home from the County Fair. The fair lasts for six days, but the ramifications of a disease outbreak could last much longer and perhaps cost many dollars to rectify.

**Open to all 4-H'ers 11 Years-Old and Older,
4-H Alumni, Parents, Friends and Family**

It's safe to say that the 4-H Snack Bar is "The Place" for refreshment at the Saratoga County Fair. It's also "The Place" for all of our 4-H family to come together in a safe and fun environment to help support 4-H programming. 4-H youth can develop friendships, work skills and a sense of belonging. Parents, Alumni and other supporters can serve as role models for our 4-H youth by providing positive examples that our 4-H members can aspire to.

4-H Teen Council operates the 4-H Snack Bar each year, and they depend heavily on youth and adult volunteers to make each year a great success. Money raised in the Snack Bar is returned in the form of 4-H program support, Scholarships, Trip Funding and much more!

You can help out at the 4-H Snack Bar by signing up for a shift or multiple shifts for the week of the Saratoga County Fair. We are looking for energized 4-H'ers who can help in all different stations from scooping ice cream to making fries!

You can sign up online at:

Do You Have What It Takes to Be a Junior Superintendent? Looking for Youth and Adults!

There are so many ways to be involved at the Saratoga County Fair and one of the best is to be a Junior Superintendent (for youth) or a Building Helper (for adults). Junior Supers help keep our building tidy and welcoming by sweeping, watering plants and interacting with Fairgoers. Adult helpers help by supervising the building and answer questions from fairgoers.

Additional help is needed from youth. Helpers are needed for the Animal Sciences portion of the fair. These helpers assist in barn chores and help during the animal shows. It's a great way to share your passion for 4-H Animals!

Sign-up to be a Junior Superintendent or Adult Helper today!

2025 4-H Scholars

On May 31, 2025, there was a lot of rain at the 25th Annual Golf Classic! Despite the rain, we had an amazing turnout. This year we made over \$13,000. We appreciate all our sponsors and donors. The 4-H office would like to thank our golf committee: Joanne Peck, Donna Carol Bayer, Lisa Russell, Laura and Mary. The 4-H office in Saratoga County is second to none. Many sponsors, donors, players, and 4-Hers made this event what it is. Without them, this event would not have succeeded. We have tented for next year's tournament. We have tented for the 25th Annual Golf Classic. We are always looking for new members to join our committee. Please look for us in the future additions of the 4-H newsletter.

Scholarship Golf Classic

Despite the rain at the 4-H Scholarship Golf Classic, an amazing 108 golfers start the day. We appreciate all the support from our volunteers. We would like to send a special thanks to Donna, Mary Fairley, Jody Pitman, and Mackenzie Macey. Your commitment is to none! We'd also like to thank the 4-H volunteers. Without your help, the event would not be possible. Plans are already underway for our next event booked May 30th for our next year looking for new volunteers to join our upcoming planning meetings in the months of Highlights!
