

# Invasive Species Workshop

## Walking Tour at the Hurleyville Rail Trail

**Wednesday August 27, 5pm-6pm**

**214 Main St., Hurleyville, NY 12747**

meet in front of tennis courts, in the municipal parking lot

**Happening rain or shine! Please wear sensible shoes and bring an umbrella. Class will be rescheduled in the event of a thunder or lightning storm.**

Walk through a part of the rail trail and identify invasive species taking over along the way with Katie Gasior, Horticulture Subject educator. We will discuss identification, threat, and management techniques.

Multiflora Rose

Beech Leaf Disease

Japanese Knotweed
