Present in-person: Trisha Best, Daniel Berheide, Marcail Miller, John Culpepper, Mike Kuba,

Florence Sears

Present via Zoom: Jessica Tyson

Absent: none Matt Stanley, George Sayward

Excused: Krissy Leerkes, Elisha Bartlett

Guests: none

Staff present: Laura Nicholson, Elizabeth Lee, Laurie Davis

Minutes of the last meetings: Motion made to approve the minutes of Monday, May 19 and Friday, June 13, 2025, by Daniel seconded by Marcail. All in favor, motion carried.

Financial Report – Laura Nicholson

- Motion to accept the May 2025 financial report by Daniel seconded by Marcail. All in favor, motion carried.
- Cash flow projections were reviewed. Elizabeth explained that we don't have enough information and Laura is keeping up with projections as best she can. The latest numbers were reviewed at the Executive Committee meeting on June 13.
- County appropriation and bank transfers were discussed. The county approved paying
 us our full 2025 appropriation amount all at once. Because this put our checking account
 above the \$250,000 FDIC insured amount we moved much of the money to our money
 market account and our ICS account.
- Motion to approve the updated 2025 financial controls with by Daniel, seconded by John. All in favor, motion carried.
- CDs are maturing. Our Champlain National Bank CD matures in 5 days. Daniel made a
 motion to roll the CD over into a new 6-month CD and move the interest to the CCE
 checking account, seconded by Marcail. All in favor, motion carried. Our Community
 Bank CD will mature on July 26. The board wants to wait for the upcoming executive
 committee meeting to decide what to do with that CD.
- Fundraising plans. We are exploring setting up a fund with the Adirondack Foundation. We need to create campaigns and would like to avoid competing for funds with our partner organizations. The key is to prioritize and collaborate.

- Federal funding FMPP update. We just don't have answers. We are assuming we'll be paid for all the work we are currently doing up to the point where we receive a stopwork order, if that happens. If we end up getting all our funding but haven't done all the work because of all the uncertainties, we should be able to get an extension.
- 2026 CCE budget assuming we'll apply for level county funding. We'll have more
 information about our federal and state funding by the end of August. Executive
 committee will meet to discuss.
- New building update: No new news. We have seen a floorplan and are developing expense efficiencies with Soil & Water. We will possibly have to pay rent.
- Review of Grants and Contracts we are waiting to hear about:
 - 4-H Council (composting curriculum)
 - Hannaford/FNEC (childhood obesity prevention)
 - Sylvamo (\$2,500), Stewart's (\$1,500) and Cloudsplitter (\$3,000)

Reports

- Full Staff Program report included in packet
- Executive Director Elizabeth reported on:
 - The Chevy Malibu needs \$3,500 worth of work and is only worth \$5,500. Elizabeth recommends purchasing a used vehicle this summer to replace it. We can trade in the Malibu or look to sell it on the open market. Daniel made a motion to authorize Elizabeth to spend up to \$20,000 for a vehicle, seconded by Florence. All in favor, motion carried.
 - This is the first year where there will be no 4-H animals at the fair. Our current spotlight is on the need for changes in 4-H. We need more outreach. In August we'll have a brainstorming session with community and the fair board. We might have a 4-H dairy bar this year. Glenn should be able to tell us where our portable shed is that can be used for this.
 - Ag Day at the county will be on July 27. Cole will give a presentation to the BOS.
 There will be no outside tent and all food will be inside.
 - There is an Executive Leadership Conference in Ithaca in early September for executive directors and board presidents.
 - Likely all CCE associations are on board to share the cost of an attorney reviewing all the personnel policies.
- Committee Reports:
 - Community Vitality tabled
 - Adirondack Harvest tabled
 - Ag & Local Food tabled

Old Business

DRAFT Minutes

Cornell Cooperative Extension of Essex County

Meeting of Executive Committee July 14, 2025, 4 PM

Lewis, NY

Board members present: Trisha Best, Jessica Tyson, Daniel Berheide

Board member absent: Marcail Miller

Staff present: Laura Nicholson (Finance Manager) and Elizabeth Lee (Executive Director)

Meeting brought to order by Trisha Best at 4:05 PM

Managing current financial assets

- The Executive Committee reviewed documents provided by the Adirondack Foundation regarding Organization and Designated Funds. (attach?)
- The Committee discussed aspects of the Adirondack Foundations fund types and considered options for protecting current assets, maintaining liquidity to cover possible 2025 revenue shortfalls and unpredictable needs going forward. Several options were discussed.
 - a. Not opening an Adirondack Foundation Fund and continuing to use laddered CD's at the highest interest rates available.
 - b. Establishing an Adirondack Foundation Organization Fund with a deposit of \$25-\$50,000 as an initial step toward growing assets and rolling remaining funds from CDs into new CDs with staggered terms.
 - c. Placing funds in a managed portfolio account with greater access to cover unforeseen expenses or grant termination.
- 3. The Committee elected to learn more from Adirondack Foundation about their funds, find out more about current interest rates on short, medium and long-term CDs and seek advise from a scenario planning expert recommended by our contact at Adirondack Foundation.
- 4. This topic will be revisited at the next Executive Committee meeting to make decisions when the two CDs that roll over July 28.

- 5. The Executive Committee reviewed three scenarios prepared by Laura Nicholson, each with different assumptions and impacts on the Association's fund balance. Each scenario maintained the direction agreed on previously to minimize use of fund balance and maintain all staff at current time and pay rates to the fullest extent possible.
- 6. The sense of the group was to:
 - a. monitor developments at the federal and state level as long as possible before preparing a final budget. (As of July 17 we still do not know about recission of FY 2025 federal grants, NYS impacts from federal budget, and county impacts to our appropriation.
 - b. Unless new information is received, prepare a request for level funding from Essex County in September with the reductions noted in Scenario 2 (No revenue from FMPP OR MARRY grants; staff development, program travel, supplies, meeting expenses @ 50% of 2025 budget). Adoption at this level would result in a 2026 Budget of \$1,187,568 and require a transfer of \$153,836 from fund balances).

The next Executive meetings are scheduled **for Monday July 28, 4-5 PM** and **Monday August 4 from 4-5 PM**.

Motion to adjourn by Daniel, seconded by Jessica. Meeting adjourned at 5:10 PM

DRAFT Minutes

Cornell Cooperative Extension of Essex County

Meeting of Executive Committee July 28, 2025, 4 PM

Lewis, NY

Board members present: Trisha Best, Daniel Berheide, Marcail Miller.

Board member on Zoom: Jessica Tyson.

Staff present: Laurie Davis, (Senior Administrator), Laura Nicholson (Finance Manager),

and Elizabeth Lee (Executive Director)

Meeting called to order by Trisha Best at 4:10 PM

Managing current financial assets:

- 1. Recommendation to roll over CDs
 - a. \$100K to 6 month @ 3.4%
 - b. \$50K to 13 month @ 3.6%
 - c. \$50K to ICS at Champlain National Bank until full Board vote on Adirondack Foundation Organization Fund

Daniel made a motion to roll over the CDS listed above and move \$50K to ICS pending board vote, seconded by Trisha. All in favor, motion carried.

- 2. Recent grant submissions:
 - a. Cole \$10K Farm Credit East for 2025 Adirondack Harvest Festival expenses.
 - b. Sam \$25K UVM ECH for expanding senior wellness
 - c. Cole/Jake \$200K for DEC Environmental Justice Community Impact grant, Daniel would like Cole to reach out to him re: metrics to use.
 - d. Hannaford \$10K for childhood obesity prevention was awarded.
- 3. Conversation with Tom Stork, an experienced economic scenario planner recommended by the Adirondack Foundation. He said we cannot project anything because we don't have our revenue sources nailed down.
- 4. Proposed budget scenarios:
 - Scenario 2 was decided as the best workable budget for 2026. Laura and Elizabeth explained the figures. Reviewed the current state of the FMPP and MARRY grants. Reviewed all three scenarios and transfer options. This is just an update. There's a lot we still don't know. Waiting to see what state passes down to counties. Shoot for taking about 50% from administrative and general funds to prepare budget.
- 5. Outreach to Shaun Gillilland and Elise Stefanik's offices: Shaun had the idea to ask county, in our budget request, for a contingency line of funds if federal funds fall short at end of 2025. We would add it to our budget request for September. This could cover 2026 but we'd still have to cover 2025 shortfalls (up to \$144,000).

Stefanik's office was supportive. NIFA money for MARRY grant was released already. So why don't we have it? The Stefanik contact will pursue this for us if needed.

The next Executive meetings are scheduled for Monday August 4 from 4-5 PM.

Motion to adjourn at 4:57 PM by Daniel, seconded by Marcail. All in favor, motion carried.
