

*Let's Bring
Home the
Bacon!*

Interested in an opportunity to help your community?

Orange County 4-H is teaming up with the **Newburgh Urban Farm & Food Initiative** to provide meals to the Newburgh community! The organization empowers the community through cultivation of community and residential gardens, distributing fresh produce, and educating residents about the interconnections of food and community. The organization is looking for 4-H members to raise two-three piglets to feed the Newburgh community through their **Bringing Home the Bacon** program. This is a great opportunity for philanthropy in your community and a chance to learn about raising swine!

Details:

- Must have space acceptable for raising pigs and be an active 4-H member of Orange County
- Costs such as feed and hauling covered by NUFFI
- Raising will be from October to April
- Deadline to apply: September 26th

Complete the application
below or contact Zoe Nafis
