The **Dairy in the Classroom** program runs for **45 minutes each week over a 6-week period**, scheduled specifically on **Thursdays and/or Fridays**.

In the event of a school closure or missed session, lessons will be **rescheduled in coordination with the teacher(s)** to ensure all participants receive the full program. Rescheduling is based on **first-come, first-served availability**. This arrangement provides both flexibility and our commitment to a **comprehensive learning experience**.

To assist with planning, please use the **editable schedule template** provided to block out your classrooms in advance.

New Requirement – Participation in Surveys

To keep this program **FREE to schools**, we now require participation in two surveys:

- **Pre-assessment** for students
- **Post-assessment** for teachers

These evaluations are essential to demonstrate program impact and allow us to **continue receiving funding**. We appreciate your partnership in completing them.
