What special cha needs did you co preparing this red	onsider when					
Why did you mak changes?	ce these					

What influenced the changes (special diet, taste, nutritional value, economic, etc.)?	
What might you do differently next time?	

<u>Nutrition Statement</u>: Please outline at least 3 major nutrients supplied by the ingredients in your recipe and what the nutrient does. example: milk, calcium, builds strong bones.

Ingredient	Nutritient Provided	Role of Nutrient or What does the nutrient do for our bodies?

Optional Additional Information (attach additional sheets as necessary): This information is not required but you may find it valuable to share this information with the Product Evaluators as they will not be able to meet with you individually to discuss your process as you prepared for the PINY Contest. This is an area where you can add additional information that might be helpful for the judges to know.

This can include:

- a shopping list with prices
- where ingredients produced in NY come from specifically
- interesting facts about the products that are produced in NY
- a unique experience that you had in preparing your particular recipe.
