Food Pantry Donation Through CCE Essex County

Our community's food pantries play a vital role in ensuring that individuals and families facing hardship have consistent access to nutritious food. We are currently accepting monetary donations on their behalf, with **100% of all funds distributed directly to the pantries**. We will retain no portion of your donation for administrative or processing costs. Your contribution not only helps meet immediate needs but also strengthens our collective understanding and long-term response to hunger in our community. CCE's role is to educate the public about food insecurity and the importance of a strong local food system. We provide resources that enable all food assistance programs to connect with fresh, local, nutritious food sources.

Your donation is fully tax deductible as allowed by law. Please provide your contact information so that we may send you documentation for your records. CCE Essex will never share your information without your consent.
