

# 4-H VETERINARY SCIENCE PROGRAM

For teens ages 13-19.

The program is made possible through partnership with Dr. Beth Alden:  
SUNY Ulster Vet Tech Program!

REGISTER NOW

Closes 1/15/26

Youth explore animal science, including attitude and behavior, maintaining animal health, and the organs and systems of the animal body. Animal diseases are also discussed including viruses, bacteria, and parasites that affect animal health.

## Fees:

\$100 - Existing 4-H Members

\$125 - Non-Existing 4-H Members

If the registration fee presents a financial hardship,  
scholarship funds may be available.

*Date: February 5th - April 2nd, 2026*

*Time: 6:30pm-8pm (Arrive 5 min early)*

*Location: SUNY Ulster, Stone Ridge NY*

*Registration Closes: January 15th*

**Participation is limited to 24 students. Registrations will be reserved on a first-come, first-served basis, conditional upon receipt of the 4-H enrollment form and full payment. Sorry, no refunds.**
