This is an activity that is done at the NYS Fair. A certificate of participation will be presented to each participant.

To Bake the Best Better

Tips for baking for the County and State Fair

Mixing/Baking

- Always use fresh ingredients, such as baking powder, oil, whole grain or regular flour.
- Date your containers when you buy them.
- Overmixing causes a tough product with large holes or tunnels or a top which is peaked.
- Undermixing causes streaks of flour and uneven rising.
- Make sure dry ingredients are sifted together and liquid ingredients are well mixed.
- No paper liners are allowed for muffins.
- Dust raisins lightly with flour so they don't stick together or sink to the bottom.
- No toppings are allowed.
- Additions of dry cereals, raisins and nuts help to disguise problems of overmixing, especially in muffins and quick breads.
Cookies

- Do not place cookies too close together on baking sheet.
- Measure dough for each cookie using a small scoop or measuring spoon, so that size is equal.
- Trim outer edge away from bar cookies before cutting into squares. Use a ruler to measure so that size is equal.

Storage/Freezing

- Avoid recipes that do not keep or travel well in hot, humid weather.
- Cool product completely on racks before storing.
- Use proper wrapping - freezer containers, wrap and foil.
- Wrap each item separately.
- Bake extras and bring with you to judging in case of upsets and WHOOPS accidents!

Recipes

- Recipes must be on a 3 x 5 card typed or in ink. You may use a computer printout and securely tape to the card. Put your name on the card.
- Make writing legible.
- Include the complete recipe including yield - ingredients first, then instructions. Include each step - ie: if you grease top of bread before baking, etc.
- If you reduce the amount of an ingredient(s), Indicate original amount of reduced ingredient(s) and then the reduced amount on the recipe card.
- Place recipe card in a small plastic bag to protect them.

General

- Judges expect the recipes to match age and ability - don't use same recipes from year to year.
- Use a large enough plate to display items. A paper plate is satisfactory if it is firm. Foil covered cardboard is also good. Do not use a plate that must be returned. Enclose everything in a large plastic bag - recipe and product.

Attention 4-H Members Exhibiting Clothing Projects

Did you know that a garment that gets a blue award at Clothing Revue might get a red award the County Fair and still be judged correctly? It is important that members, leaders and parents understand this.

At Clothing Revue the garment is judged on the member as part of a costume. The appearance of the member and the quality of workmanship are both considered. At the County Fair, the garment is not worn. Therefore, only the quality of workmanship can be evaluated.

Youth Building Exhibit Removal

Please be aware that the exhibits in the 4-H Youth Building at County Fair are NOT able to be removed until 7:00 p.m. on Sunday, August 19. This time release is set by the State Department of Agriculture and Markets and the Steuben County Agricultural Society. If exhibits are removed before 7:00 p.m. on Sunday, August 19, premium money will be forfeited by the exhibitor.
If you are picking up your exhibits on Sunday evening you will not be able to drive your vehicles down to the 4-H building until after the grandstand show. Also do not drive your vehicles through the livestock judging pavilion.

If you are unable to pick-up on Sunday from 7:00 – 9:00 p.m., the 4-H building will be open on Monday, August 20 from 9:00 a.m. - 11:00 a.m. All exhibitors with exhibits still remaining after 11:00 a.m. on Monday, August 20 will forfeit exhibit premiums!!

If you are not able to get these exhibits on Sunday night or Monday morning, please contact your leader or another member of your club to pick them up for you! It is not the responsibility of the CCE staff to remove your exhibits. If you have any questions about exhibit removal, please contact the CCE Office.

Selecting & Preparing Vegetables for Exhibit

Harvest your Crop, with Care.
1) Loosen root crops with a spading fork before pulling. Avoid tearing the flesh or stems.
2) Pick off all tomato stems so they will not poke holes in other tomatoes.
3) A sharp knife is helpful in harvesting peppers, eggplant, the vine crops and many leafy vegetables.

Harvest Enough to Make Your Exhibit.
1) Gather several times as many good specimens as you think you will need.
2) Select the most uniform ones for your exhibit.
3) Harvest lettuce, endive, escarole and chard the morning of exhibition day because they wilt quickly.
4) Harvest onions 7-10 days before the fair and dry them in the sun. When properly cured, the tops can be easily cut off.

Trim Correctly.
1) Cut off the tops of all root crops about 1” above the roots.
2) Trim the tap root so they are all the same length.
3) Remove the small fine roots on carrots and beets.
4) Trim any excess stump from cabbage, lettuce and other leafy vegetables. Do not cut off all the outer leaves from cabbage. Husks can be trimmed off one side of sweet corn or taken all the way off but have all ears the same.

Exhibit the Right Number.
Plan to exhibit the exact number of vegetables called for. Check the Fair Book, as the number may differ with various fairs.

Wash or Brush the Vegetables.
1) Select and harvest only clean vegetables if you can. Cleaning will not harm any vegetable if it is done carefully.
2) Clean peas, beans, cucumbers and muskmelons with a very soft brush.
3) Use a soft damp cloth for fruit with a waxy surface such as eggplant, pepper, tomatoes, and watermelons.
4) Root crops may need washing. Use lots of water and your hands to wash root crops.
5) Do not wash head lettuce, endive, cauliflower, or cabbage. Trim off the soiled leaves, but don’t scalp them.
Select for Size, Shape and Color.

1) Select those that are alike. The first ripe tomatoes or carrots you pull from your garden will seldom be alike in size, shape and color. A good way to select a plate of vegetables is to place them in a row on a table or on the floor with the big ones at one end and the small ones on the other. Then select on the basis of shape and color.

2) Avoid carrots and potatoes with greening caused by exposure to sunlight. Check the seed catalog for examples of “typical shape”.

Storage Before Fair.

1) After you have harvested and prepared your vegetables, it may be necessary to store them for a day or overnight.

2) Keep root crop, leafy vegetables, sweet corn and peas at low temperature (40°-45°F). Mom’s refrigerator usually gives these conditions. Before placing leaf vegetables in the refrigerator, place them in a plastic bag.

3) Potatoes, tomatoes, eggplant, peppers and the vine crops will keep well for a day at medium temperatures (60°-70°F).

Wrap, Pack and Display Correctly.

1) Wrap your exhibit before taking it to the fair. You may have an excellent plant but damage while transporting can easily make it unworthy.

2) Newspaper is a good wrapping material. Wrap each vegetable separately and then wrap the five or twelve, etc., that go together in one bundle.

3) Pack them firmly in a strong container. Always pack the firm vegetables on the bottom. Don’t pack cabbage, pumpkins, watermelons, etc., on top of tomatoes, eggplant, peppers, etc.

4) Label every exhibit carefully on the double entry blue card with your name, department, section, class number, kind, variety and age as of January 1 and years in project area.

Attention County Fair Animal Exhibitors

A copy of the registration paper must accompany the County Fair Entries due on July 9th.

All Animal Exhibitors must complete and return a copy of the 4-H Quality Assurance Pledge with their county fair entries, July 9, 2012.

It is highly recommended that if you are exhibiting dairy at the Steuben County Fair, that you take part in the 4-H Dairy Judging Contest, to be held Tuesday August 17, 2010 at 12:00 p.m. in the Judging Pavilion.

Market Animal Weigh In

All market animals must be weighed in at Empire Livestock on Monday! Animals will be accepted at weigh in from 8:00 a.m. until 4:00 p.m. only.
All market swine must have a plastic 4-H Tag. NO market hogs will be accepted at Empire for weigh in without 4-H tags. Also, all market animals must be clean and dry. Hogs that come to weigh in that are dirty will be turned away.

Market Lambs that come to Empire must have no more than 1” of wool and must be dry.

ALL eartags must, absolutely, be attached to the animal. NO EXCEPTIONS!!!!!!! If any market steer, hog, sheep, or goat come to weigh in without the proper identification in the animal, that animal will not be weighed and therefore, will be sent home.

Livestock Health Requirements

Please make sure you know the 2012 Health Requirements. Read the Health Requirements on the CCE website or read the requirements on pages 3-5 of the County Fair Book for health regulations for each specie. It is your responsibility to meet the health regulations. The regulations will be enforced for the protection of all exhibitors. If you have questions contact the CCE Office. All cattle, sheep, swine, and goats exhibited at County Fair must have a valid certificate of Veterinary inspection (CVI). The CVI can be issued on or after May 1 of the current year. There are no exceptions. Contact your veterinarian to arrange for health papers.

All sheep or goats exhibited at the Steuben County Fair must be identified with a legible scrapie identification number, metal Ag and Markets tags will not be accepted.

All animals consigned to the Livestock Sale must comply with all drug withdrawal requirements. Notify your veterinarian that your animal is consigned to the sale before starting any drug treatment.

Below are some highlights.

For New York State Animals the CVI must be issued and signed by an Accredited Veterinarian on or after May 1 of the current year. Each animal must be individually and positively identified on the health chart.

Fair Inspection Procedures for the 2012 Fair Season

ALL CVI’S MUST BE HORIZONTAL. CVI’S THAT ARE ON VERTICAL PAPER WILL NOT BE ACCEPTED.

State Veterinarians or assigned officials are responsible for reviewing all “certificates of veterinary inspection” (CVI) for compliance with state regulations and for verifying individual identification of exhibited animals presented on a valid CVI. A CVI is required for cattle (beef and dairy), goats, sheep, and swine.

Your CVI must accompany the animal upon arrival to the Steuben County Fairgrounds. Do not drop your animal off at the fairgrounds without the CVI with the animal. Send your CVI with your trucker if you are arriving after your animals.

For the 2012 Steuben County Fair the following individuals will be checking the CVI (commonly referred to as your health papers):

Sheep and Swine - Karen and Mike Hargrave

Cattle – State Veterinarians

Goat – State Veterinarians
Please have your CVI convenient for them to be checked. **Also it would be extremely appreciated if the 4-H member was available to present your animal to the person inspecting your CVI.** The person inspecting your animal must match your animal's identification (eartag or tattoo) to the CVI. The CVI will be collected by these individuals and will be returned to you after the NYS Veterinarian or veterinary technician conducts an animal health inspection of your animals. The initial inspection will be conducted at or shortly after the arrival of your animals.

**Soremouth in Sheep and Goats**

Sheep and goats with lesions characteristic of Soremouth are not allowed to be exhibited. Any sheep originating from the same flock are considered exposed and must be removed from the grounds. The fair is responsible for cleaning and disinfecting the pens immediately after removal. The CVI used for entrance of the sheep is immediately invalid for subsequent fairs. A statement to that effect will be written on the CVI. In order to exhibit at later fairs, a new CVI will be required including the complete flock inspection.

**Animal Identification:**

It is very important that each animal is properly identified. Individual identification is necessary under New York State Animal Requirements. All animals must carry positive individual identification such as an official eartag or tattoo. Each goat or lamb exhibited must have legible scrapie identification.

**ALL MARKET ANIMALS MUST BE TAGGED WITH GREEN 4-H TAGS BEFORE COMING TO EMPIRE FOR WEIGH IN.** If you have not gotten your green tags, stop by the CCE Office and see Cindy or call 607-664-2561.

**PLEASE READ YOUR FAIR BOOK:**

Your Fair Book includes very important information regarding County Fair. Please read it thoroughly, as many departments and sections have changed or been deleted and many classes have been moved, added or deleted.

It is your responsibility to ensure that your exhibits are entered correctly.

**Attention 4-H Animal Exhibitors At The 2012 Steuben County Fair!**

Please read changes carefully so that you can arrange for transport of animals accordingly.

All animal exhibitors must sign a Quality Assurance pledge before being allowed to show.

**NO ANIMALS ARE TO ARRIVE AT THE FAIRGROUNDS ON SUNDAY!**

Market Animal weigh in at Empire Livestock is only on **Monday, August 13th from 8 a.m. – 4:00 p.m.**

Dairy, livestock, poultry, rabbits and goats must be brought to the Fairgrounds Monday, August 13th from 8:00 a.m. until 5:00 p.m. No animals may be unloaded or put in cages or barns until health papers have been checked. **There will be no veterinarians on the fairgrounds after 5:00 p.m. on Monday so please plan accordingly.**
*HEALTH AND REGISTRATION PAPERS MUST ACCOMPANY YOUR ANIMALS UPON ARRIVAL AT THE FAIRGROUNDS. ANIMALS CANNOT BE UNLOADED WITHOUT THEM!

Attention All Animal Exhibitors

IF YOU ARE SENDING ANIMALS TO THE FAIRGROUNDS BY A TRUCKER, HEALTH PAPERS MUST, MUST, MUST, ACCOMPANY THE ANIMALS ON THE TRUCK OR THE ANIMALS WILL BE SENT HOME. WE WILL NOT BE WAITING FOR YOU TO ARRIVE WITH THE HEALTH PAPERS, YOUR ANIMALS WILL BE SENT HOME.

Some Tips on Assuring Your Animal is Not Sent Home

Here are some comments made by Dr. Pepi Leids on possible reasons for sending animals home from the Fair.

1. Make sure you have the necessary paperwork and vaccinations found in the Steuben County Fairbook on pages 3-5 and on the CCE website at www.putknowledgetowork.com Make sure that all the identification matches and is legible including the tattoos.

2. Warts – even one little wart will warrant your animal being sent home.

3. Ringworm

4. Mucus – Any mucus from the nose that is yellow, white or green

5. Hairy Hoof Warts or any sign of limping or sore feet

6. Any resemblance to Pink Eye – even a bruise from trucking that could be pink eye – the worst will be assumed.

7. For Sheep and Goats - any lesions characteristic of soremouth and any sheep originating from the same flock are considered exposed and must be removed from the grounds. Goats and sheep without proper scrapie identification.

Some other tips include make sure you clip your animal before going to the fair. This gives you a good chance to thoroughly check your animals for any abnormalities. While at the fair, DO NOT share brushes, feed pails, water buckets or any other equipment. Sharing is good in certain areas, but it is a very good way to contract unwanted diseases so don’t use others equipment.

If anyone has questions about the health requirements contact the CCE Office. If you have questions about a particular animal you can contact Pepi at 607-776-9721. She really does not like sending animals home and a little preparation avoids a lot of problems.
