

Auction Requirements at a Glance

Important Dates to note:

- Beef Own by date and Registration due to the 4-H office: January 9th
- All Other Livestock Own by date and Registration Deadline: May 15th
 - All Species Auction Tag Pick Up Day: Friday, May 15th

General Requirements for the Auction:

- All youth must be a registered member of Delaware County 4-H (by December 1st, 2025) and be 8 years old by January 1st, 2026.
- Beef own by and auction registration date: January 9th
- All other species (Swine, Meat Goat, Sheep) have an own-by and registration date of May 15th
- Youth are responsible for the animal's daily care
- 4-H Auction Tag - Tag Pick Up day will be Friday, May 15th, 2026
- All species must follow the USDA Ag and Markets fair animal health requirements for their species and have appropriate Identification. (CVI obtained by a Category II Veterinarian)
- All animals must also be entered to show in the fair with all other animal entries.
- All animals must be health checked by the State Veterinarian to be granted entry into the fair.
- All animals must show under their correct market class, animals cannot show in both market and breed classes.
- All youth must compete in the appropriate showmanship class for every species of animal they enter.
- All market animals will be weighed on the Monday of fair to be entered in their appropriate weight classes.
- In the instance that an animal does not make minimum weight, the animal will be moved to and shown in a non-auction class.
- Animals that receive a white ribbon in their Market class are not eligible to be sold in the auction.
- Any male animal intended to be sold at the auction must be castrated during a time designated in the species specific regulations. No signs of open wounds or male secondary sex characteristics may be present upon arrival at fair.
- 4-H members may register more than one animal of the same species for auction, however youth can only sell one animal per species in the Auction. You will select which animal they wish to sell no later than Friday morning of the Fair.
- 4-H Members are required to complete and submit a 4-H Livestock Auction Project Record by 5:00pm on Monday of Fair to the 4-H department. A record is required for each species registered and intended for sale in the auction.

Specific Species Info:
