

# 2026 4-H SHOWCASE

Cornell Cooperative Extension | Steuben County

HENDERSHOT  
HAFLINGERS

Dear Community Member

The Steuben County 4-H program, the largest in the Finger Lakes region, has been empowering youth for decades. Through this program, hundreds of young people gain valuable life skills, build character, and grow through hands-on experiences.

We are thrilled to partner once again with Hendershot Haflingers for the third annual 4-H Showcase, happening Thursday, July 23rd through Saturday, July 25th. This event offers the public a chance to witness the dedication and hard work of 4-H youth as they showcase their projects. Attendees will enjoy animal shows, youth competitions, craft exhibits, a market animal sale, and much more!

Last year's event was a tremendous success, and we couldn't have achieved that without the generous support of sponsors like you. Your contributions truly make a difference, not only in the success of the event but also in the development of these young people. Whether through financial donations, in-kind contributions (such as supplies or rentals), or sponsoring awards like Sportsmanship, Supreme/Best in Show, or Cloverbuds, every bit of support helps. Your donation will go toward essential event expenses such as signage, youth awards, premiums, tents, and more.

Thank you for considering being a part of this exciting opportunity. Your support has a lasting impact, and we are grateful for your commitment to our youth and community.
