

MEAT PRESERVATION

Jerky & Canning Workshop

Hosted by Cornell Cooperative Extension of Delaware County. In Partnership with Broome County CCE

**Saturday
Feb 28,
2026
10AM-
1PM**

Learn safe, research-based methods for processing meat at home. This interactive workshop will focus on jerky preparation and meat canning, with an emphasis on food safety, proper equipment, and best practices to ensure high-quality, shelf-stable products.

Audience:

Home food preservers, hobby farmers, educators, and community members interested in meat processing

\$30.00
