

Important Information

My Child is in 4-H: Now What?

Once enrolled, 4-H'ers are invited to participate in a variety of programs! Here is a list of many things you can participate in.

County-Wide Animal Science Programs:

- Beef Cattle, Cats, Dairy Cattle, Dairy Goats, Dogs, Equine, Meat Goats, Poultry, Rabbits/Cavy, Sheep, Swine, and Working Goat Educational Meetings (you do not need to own an animal to participate)

County-Wide Programs

- Public Presentations, Livestock Auction, 4-H Day Camp, Junior Leadership Project, 4-H Circuit Stompers Robotics Team

Workshops

- Arts & Crafts, Sewing, woodworking, STEM, Foods and Nutrition, Shooting Sports, Entomology, and more!

Activities

- Niagara County Fair, Achievement Night, Community Service Opportunities, Livestock Skillathon

The 4-H Clover Scene is the best source of communication and to see what's new. Use it as a guide to navigate what you would like your child to do next. "Like" us on Facebook @ Niagara County 4-H Program. Tuesday Tidbits weekly email keeps you updated with any time sensitive information and last minute changes. Communication is key in staying involved. If you have questions or need help navigating through 4-H programs, our staff is more than happy to help you. Please call us at 716-433-8839 or email: Heidi Feltz (hmk3@cornell.edu), Kathy Bowers (krc8@cornell.edu), Stacey Johnston (ssh85@cornell.edu) or Christina Wright (ckw38@cornell.edu)

4-H Meeting Reminder: Leaving Early/Arriving Late

Do you sometimes have two 4-H meetings occurring on the same night with over-lapping times? When this happens, please be courteous and choose one. Leaving meetings early and/or arriving late to go to other 4-H meetings on the same night is disruptive to programming and frustrating for volunteers. Animal science leaders will not count your attendance as a meeting credit if you arrive late or leave early. If you need special accommodations, please speak to the leader prior to the meeting.

Closings/Cancellations

When the weather is bad, 4-H meetings on the grounds may be cancelled. This decision is up to the discretion of CCE staff and the instructor.

When the county offices are closed in Niagara County, our office is automatically closed.

Closing announcements will be made on Facebook, and depending on the number of people affected, an email blast. Many times the leader will contact members directly. We understand that people are traveling to CCE from all over Niagara County, as well as parts of Erie and Orleans, therefore, the weather may vary. Have a safe winter season!

4-H Working Goat members learn how to tie different kinds of knots and when to use them, at a working goat meeting!

Public Presentations 2026

Online Registration closed on January 23. Thank you to those who signed up!

Pre-game practice sessions: (Optional) Tuesday, Feb. 10 & Sat. Feb. 14 by appointment only. Get tips and guidance from the Public Presentations Committee. Email Helen Rowlands to sign up for an optional practice session which are held in CCE Administration Building: hrrishell65@aol.com. There still is a few slots left, sign up today!

NEW! 2/26 & 2/28 Presentations taking place at Dale Association, 33 Ontario Street, Lockport.

Animal Science Members: A 4-H public presentation can count towards one of your required 5 educational meetings. For those showing multiple species, counts for only 1 animal species of 4-H'er's choice. For ages 8 and up, presentation must be at least 5 minutes long for meeting credit eligibility. Cloverbuds, no minimum length requirement.

Cloverbud Bash, Saturday, February 21, will still take place at the 4-H training center, like last year.

**Watch for an email from Stacey Johnston in February for your finalized presentation time slot & presentation day details. Please be patient as we have a lot of presentations to sort through and are doing our best to accommodate your time preferences.

Didn't sign up for public presentations this year but want to come and watch a few to see what its all about? Contact Stacey and we will let you know some dates and times to be an audience member! ssh85@cornell.edu

March Dog Madness is an annual conference for adult and teenage 4-H volunteer leaders. Workshops engaged participants in science based information training. Current animal health, animal behavior, industry trends and youth development issues are addressed. Past guest presenters included stakeholders, extension professionals, community, and youth experts.

This program is designed to help community leaders understand and practice principles that they could take back and share with 4-H members at the local level. Adult and teen leaders gained networking skills, exchanged ideas and had an opportunity to work together in a university setting.

This event is open to all interested staff, adult and teen 4-H leaders were invited to attend this one day information packed program. Dog project leaders engaged in local community training programs were strongly encouraged to attend. Presentations from a variety of experienced professionals may have included: Cooperative Extension Staff, County Volunteers, Cornell University Veterinarians, community collaborators, etc.

This Saturday workshop is held every March at the CALS Department of Animal Science on the Cornell Campus (507 Tower Rd., Frank B. Morrison Hall, Ithaca, NY, 14853). For more information check out the website at [March Dog Madness | CALS](#) . To register contact Kathy Bowers at krc8@cornell.edu.

New York State Guernsey Calf Award Application

The Calf Scholarship Award Program is sponsored by the New York State Guernsey Breeders Association for the purpose of encouraging those who do not presently own Guernseys to become involved with the Guernsey Breed. A purebred Guernsey Calf will be awarded to the applicant who shows interest in the Guernsey breed and who has demonstrated the capabilities of developing the animal to its fullest potential. Applicant must be age 9-15 as of January 1st of application year. You do not have to belong to 4-H, FFA, or a breed club to participate.

Award will be presented to the winner at the New York State Guernsey Breeders' Annual Meeting in the spring.

Name _____

Address _____

Phone Number _____

Email Address _____

Age as of January 1, 2026 _____

Please answer the following questions completely in the form of an essay. Additional information may be added to your essay to help the committee make a proper decision. *Incomplete applications or applications using AI will be disqualified. Unsigned applications will not be accepted.*

1. What would a Guernsey Calf mean to you?
2. What would be your plans for raising and showing this calf?
3. Where would you keep this calf? Would it be on your family farm, or would you have to find a place to house this animal? If the animal would need to be housed on another farm, what is this person's name, phone number, and email address?
4. What are your goals and/or plans for the future?
5. Do you belong to 4-H, FFA, or a breed club? If you do not, would you like to?
6. What is your county agent's name, phone number, and email address?
7. Give a brief description of your experiences with farming. What are your responsibilities at home?
8. What are your other interests outside of the dairy industry?
9. Are you financially able to fulfill the responsibilities of caring for the calf and transporting her to the various fairs as required by the stated goals of our program?
10. Do you have a support system within your network of family and friends who will encourage you in your project?
11. List the names, phone numbers, and email addresses of 3 references we may contact who are not related to you. Provide a written recommendation from the three referenced and submit with this completed application. We are unable to accept applications that are not complete including references, and properly submitted electronically to the email address below.

All applications are due on February 20th this year. No late applications will be accepted. Please EMAIL your application to: Seth and Amber Ripley -- seth.ripley@gmail.com All references should be submitted WITH the application on the same email. Confirm that your application was received by a followup email. If you do not have access to email, you may contact your FFA advisor or County 4-H agent for them to submit your application.

Please keep a copy for your records. If you have any questions regarding this application, you may contact the Calf Scholarship Committee Chair.

Animal Science Members

Re-Enrollment deadline for returning members was January 5, 2026

- Returning/Re-enrolling members must have already re-enrolled by January 5th or before, to be eligible to show/exhibit animals at the upcoming Niagara County Fair. Re-enrollments received between January 6-March 1, 2026, can still participate in 4-H and attend all animal meetings & 4-H programs, but are not permitted to show animals at fair in 2026. This is a hard deadline and exceptions will not be made.
- First time enrolling/new members - must enroll by March 1, 2026, and meet the minimum meeting requirements (explained below) to be eligible to show any animal species at 2026 fair.
- Each Clover Bud & 4-H Member must attend at least 5 species meetings per year (between October-July) to meet minimum meeting requirements, to be eligible to show/exhibit animals of any species, at the 2026 Niagara County Fair.
- County level 4-H public presentations can count towards ONE of those 5 meetings. For those showing multiple species, counts for only 1 animal species of 4-H'er's choice *Decide at time of public presentation sign up*
- Farm Safety Course or Livestock Skillathon (offered by Niagara County 4-H) can count towards ONE of those 5 meetings, for only 1 animal species of 4-H'er's choice (if showing multiple species) *Decide at time of course sign-in*
- Each animal species program/leader has the right to require additional requirements in order to be eligible to show that species within their program, at leader's discretion.
- NEW!!! College Students in 4-H:** If you're away at college and can't attend the required five species meetings, you must complete a **College Member Agreement Form**,

<https://form.jotform.com/253435031885155>. This form must be signed by youth and parent.

It will be reviewed by species leader and a 4-H educator once received. (This form was already due by January 16).
