*If you want to join us reach

To evaluate or not to evaluate that is the 4-H horse program question.....?

Do I need to evaluate with my horse?

You only need to evaluate with your horse if any
of the following apply to you.

- You got a new horse.
- You are wanting to compete in a new division.
Example: You were a W/T and this year you want
to W/T/C.
- You want to ride a new discipline.
Example: I am already evaluated for English JR.,
but this year I want to also show Wester JR.

You need to be evaluated with each horse you will
be entering or competing with at any 4-H show.
You need to be evaluated to....

- Do Gymkhana
- Do in-Hand classes
- Ride English or Western
- Drive

How do I know what I am Evaluated for?

If you don't know contact our office and ask the
4-H Horse Educator. They will be able to look that
up and let you know.

DEC Summer Camps

Limited Scholarships Available

The Saratoga County Council of Fish and Game Clubs is once again offering a limited number of scholarships for youth interested in attending the 2026 New York State DEC Summer Camps. These scholarships provide an excellent opportunity for young people to enjoy a week of outdoor adventure, conservation education, and hands-on learning in New York's natural spaces.

Scholarships are awarded on a first-come, first-served basis, with a limit of one per family unless additional funding remains after initial placements. Preference will be given to first-time campers to help introduce more youth to this unique outdoor experience.

Although registration for DEC Summer Camps opens on March 22, families are strongly encouraged not to wait to request scholarship consideration.

If you're interested in securing a spot on the scholarship list, please email Leland Bunting at glb76@cornell.edu.

GROW MAKE SERVE THRIVE

Party for a Cause 2026

What an amazing night at The Hideaway. Together we raised over \$5,000 to support upgrades at the 4-H Training Center. The weather may have kept some of the crowd away, but those that attended had a blast. A huge thank you to those that braved the elements. Many thanks to Harmony Veterinary Clinic for being our signature sponsor. Electric Rodeo for delivering an amazing show, the Ballston Spa Lions Club for their inclusion, our many sponsors and donors (more thank yous to come), and to everyone who enjoyed a night with and in support of 4-H. We are lucky to have you all!
