

4-H Market Hog Project Record

4H Member Name: _____

Years in 4-H Market Animal Program: _____ Age (As of January 1st): _____

4-H Club Name: _____

Project Animal Identification

	Project Animal #1	Project Animal #2	Project Animal #3	Project Animal #4
Animal Name (optional)				
County Tag# (if applicable)				
Other Tag #'s				
Breed				
Date of Initial Weigh-in				
Initial Weight				
Final Weight				

Expense Record

Record all expenses associated with your project animals including, purchase of animals, feed costs, bedding, veterinary expense, equipment, etc.

Health Record

Record all treatments given to your project animals, including vaccinations, deworming, vitamin injections, if your animal fell ill, etc.

Break Even Price & Market Value Worksheet

Use the form below to estimate the price per pound you need to receive at Auction to break even on your market animal project.

Total Expenses: \$ _____ = E (Use Total Expense from Expense Record page)
Estimated Finished Weight: _____ lbs. = W (Estimate what you think your project animal will weigh at final weigh-in)
Break Even Price = E/W = \$ _____ Per Lb. (Take the Total Expenses divided by Estimated Finished Weight to find out the price per pound you would need to cover all your expenses from raising your project animal)
Current Market Price: \$ _____ Per Lb. Where did you find the Market Price? _____
Market Value of Your Project Animal $\text{Estimated Finished Weight} \times \text{Current Market Price per lb.} = \text{Market Value}$

Reflection:

1. Would you make a profit selling your project animal at market price? YES NO
2. What would you do differently if you were selling your market animal in the open market?

Project Participation

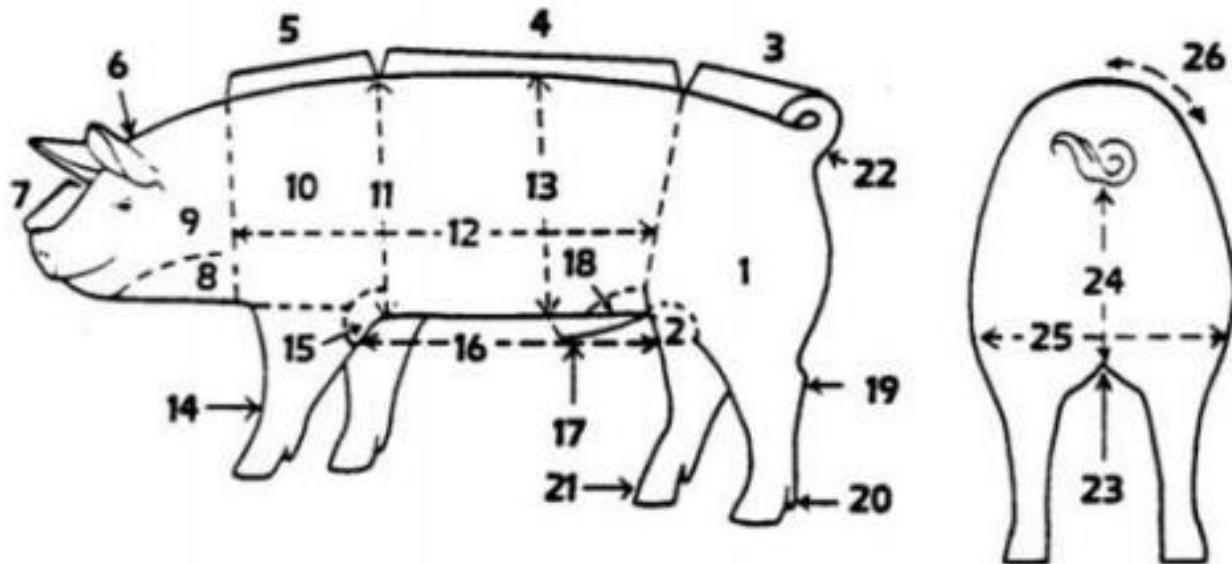

List the Educational events, meeting, shows, clinic, contents, etc that you participated in.

Date	Event/Activity Description

Reflection:

What was your favorite event that you participated in this year and why?

Parts of the Hog: Label the Parts of the Hog

<input type="checkbox"/> Face	<input type="checkbox"/> Jowl	<input type="checkbox"/> Neck
