

Energy Savings Simplified

Community Energy Application Assistance & Program Enrollment Event

Signing up for energy assistance programs can be confusing — we're here to make it easier. Join us on **Wednesday, March 4** in Wappingers Falls for hands-on help enrolling in programs that can lower your monthly energy costs.

This is a family-friendly event, with activities and light refreshments available. Ask questions and get support right on the spot!

Assistance available:

- Enroll in Energy Assistance (EAP) and find support for enrollment in Enhanced Energy Affordability Program (EEAP); both programs provide monthly bill discounts
- Receive guidance on additional Assistance Programs and other available resources.

We Look Forward to Seeing You:
