

Join the Energy Warriors!

Spring 2026 Paid Training

Workforce
Development

12-week training begins March 30!

Apply by March 13. →

Energy Warriors will train you on environmental awareness and prepare you for green energy careers.

We provide classroom training focused on environmental literacy, resume and interview prep, and skills to apply to your future work and job search. You'll build knowledge and experience through field trips to local sites and hands-on activities.

**Get paid while you train. Get certified.
Connect directly with employers.**

Certifications you can earn:

- Environmental Specialist Certificate from the U.S. Department of Labor
- OSHA-10
- Building Science Principles Certificate
- NYSWDA Bootcamp for Weatherization Installers certificate

Students will have the opportunity to earn additional certifications at no cost, including:

- 100 Hour Heat Pump Install Training
- Building Analyst - Technician Certification
- Building Analyst - Professional Certification

Energy Warriors participants are paid up to \$2,500 for participating in training.

- Breakfast/snacks are provided, and transportation assistance is available.
- We work with Tompkins County Workforce Development to provide opportunities for funding and additional training.
- Complete the Energy Warriors program and secure an apprenticeship or job in the trades to get hand and power tools (valued at \$700) at no cost.
