

Beyond the Cash Box: Deploying a Point of Sale System in your Farm Business

In this hands-on workshop, learn how to choose, set up, and run a point-of-sale system that fits your operation. Explore hardware options, employee vs. self-service checkout, product setup (by weight or item), and tips for faster sales, better records, and inventory insights.

Discover how the Cornell Farmers' Market Research Project can support your farm business from unboxing to your first successful sale.
