4-H Knowledge Sheets

are the final part of your project record book.

Please complete one 4-H knowledge sheet per major project area.

The remaining pages for your project record book depends on your project areas and how many years you have completed them.

For example, if this year was your first year completing a swine project and third year completing a horse project then you will print and complete Swine year 1 and Horse year 3 sheets. These will be included in your project record books to make it complete.

All 4-H Knowledge sheets for all project areas are available on the CCE Tioga website. If you need one that is missing, please notify Robyn Estrella and she will gladly provide one for you.
