

## **The Sustainable Living Center and Greenhouses**

### **2026 Flowering Plant Distribution Program**

Cornell Cooperative Extension of Schenectady County and the Schenectady County Soil and Water Conservation District are pleased to forward to you this request form for flowering plants.

Individuals, groups, and neighborhood associations wishing to plant annual flowers on **public property ONLY** may complete the request form and forward it to the email address below. Please note that requests will be filled on a first-come, first-served basis. Supply is limited and only qualified requests will be considered. Some substitutions may be required.

#### **Instructions for returning form:**

You may download the form, “save as” and put your last name as the title of the form (e.g. Smith Adopt a space), complete the fillable fields and email it back to us at: [amj22@cornell.edu](mailto:amj22@cornell.edu). All requests must be turned in by May 1, 2026. If you have any questions about placing your order, contact Cornell Cooperative Extension, Schenectady County at [Amj22@cornell.edu](mailto:Amj22@cornell.edu) or 518-372-1622 ext. 259.

**The plant distribution will be held on Thursday, May 21, 2026 from 12:30 – 5:30 PM at the Sustainable Living Center/Greenhouses in Central Park. Please Note: No flowers will be held after 5/21/26.**
