May 1, 2026

**Dear High School Seniors and College Freshmen,**

Whether you looking ahead to college, trade school, or other forms of further education, we hope this is an exciting experience for you, and that your time in 4-H has helped prepare you for success! Continuing your education past high school includes a large financial commitment by you and your parents. In recognition of this financial commitment and wanting to recognize outstanding members in 4-H, three groups within the 4-H Program in Saratoga County have made five scholarships available. These scholarships recognize the accomplishments and participation of 4-H members.

The scholarship descriptions and eligibility requirements are listed on the next page. Applicants should submit a resume and cover letter which covers at minimum the information in the “Application Requirements” section. The 4-H Scholarship Committee will select the scholarship recipient(s) **solely** based on the information provided in these documents.

The completed application must be in the 4-H Office by **Monday, June 15th**. Applications may be dropped off, mailed, faxed to 885-9078 or emailed to Greg at [grs9@cornell.edu](mailto:grs9@cornell.edu) but must adhere to the June 15th deadline. Please verify that your application arrived at the 4-H Office by calling Greg at 885-8995. Scholarships will be handed out at Achievement night. Recipients will be notified ASAP. Take the time to review the guidelines and submit an application. Please call the 4-H office if you have any questions.

**Scholarship information is available on the CCE website under 4-H and 4-H Forms. Any questions, please call Greg at 885-8995 or email him at [grs9@cornell.edu](mailto:grs9@cornell.edu)**
