Niagara County 4-H Newsletter

4-H Capital Days

New York State 4-H Capital Days is an NYSACCE4-HE sponsored event and multi-day civic education conference held annually in Albany at our State Capital. It gives youth an opportunity to meet and interact with legislators and tell their 4-H story. 4-H Capital Days creates awareness of career opportunities in the New York State government, a better understanding of state government, and networking with delegates and elected officials from all over NYS.

Eliana Reis & Adeline Atwater represented Niagara County this year during the 91st annual event!
