2026 Emergency Procedures

The health and safety of our members and families is our highest priority!

Parents and Leaders: please discuss these plans with your children and ensure they understand where to go in case of an emergency. Contact the 4-H staff with questions.

In accordance with emergency plans developed by the Emergency Management Group and the 4-H staff to establish safety procedures to protect 4-H'ers and their families should there be an emergency (such as a weather event) at the Dutchess County Fair, we are certain that we are prepared to respond quickly and effectively.

Plans have been developed to protect 4-H youth and families if there is a need to either:

1. Shelter 4-H'ers and their families in a protected area; or
2. To evacuate 4-H'ers and their families.

Notification of the need to seek shelter or to evacuate the fairgrounds will be made on the public address system at the fairgrounds.

Should you or your children be notified of the need to seek shelter, **proceed *immediately* to the lower floor of the 4-H Exhibit Hall**. 4-H Staff will be present in the Exhibit Hall to supervise youth and issue additional instructions. Remain in the Exhibit Hall until notified that it is safe to leave.

Should you or your children be notified of the need to fully evacuate the fairgrounds, leave the fairgrounds *immediately* by the nearest exit.

In the event of a partial evacuation, all 4-H members, leaders, and families should proceed *immediately* to the 4-H gate and gather in the immediate parking area. 4-H Staff will be present in the Exhibit Hall to supervise youth and issue additional instructions.

All animals must be left in their pens or stalls if you are issued instructions to seek shelter or to evacuate. If you are working with an animal outside of its pen/stall (i.e., show ring, wash rack, milking parlor, etc.), tether the animal and proceed immediately to the designated area.

ALL 4-H FAMILIES MUST WATCH THE SAFETY VIDEO (link to be emailed) & SIGN TO CONFIRM THEY HAVE WATCHED IT WHEN COLLECTING TICKETS

Elite Showmanship Contest

There will be one qualifier from each of the following: Meat Goat, Canine, Horse, Poultry, Rabbit & Cavy

Eligibility: The Grand Champion Showman from each of the shows listed above will be eligible to compete in the contest. If the Grand Champion chooses not to participate, the Reserve Grand Champion Showman will be eligible. The 4-H Fair Committee reserves the right to disqualify a youth from the contest due to grievances brought against the youth. *Once named as eligible for the contest, youth should find mentors at the DCF to help teach them showmanship skills of species they are unfamiliar with.

Contest Rules: The Grand Champion Showman of each of the species above will compete in Meat Goat, Canine, Horse (unmounted), Poultry, Rabbit OR Cavy to be eligible for the “Elite 4-H Showman” award. Youth must wear black pants and a white collared shirt (no logos or name)

Scoring: Each leg of the contest will earn the youth points, according to the judge’s placings in that class, towards the overall award. The youth with the most points at the end of the contest will be named “Elite 4-H Showman”.

The contest will begin on Sunday August 30th @ 12:00 PM. Youth will compete in Tent 28.

FFA Participation at the 2026 Dutchess County Fair

*This policy only applies to species that are included in the Livestock Sale and/or Master Showmanship

- FFA youth are eligible to show alongside 4-H’ers in the same ring during 4-H Showmanship contests.
- FFA youth who wish to participate in the Youth Livestock Sale are required to complete showmanship to be eligible to sell.
- When it comes time for the judge to place the class, 4-H youth will be placed SEPARATELY from FFA, even though they are competing in the same ring. This may mean one group is penned while the judge places the other, or one group is pulled forward from the line to be placed.
- The Grand Champion FFA Showman will then compete against the Grand Champion 4-H Showman in applicable species to determine the Overall Species Showman who will be eligible for the Master Showmanship Contest.
- FFA participants are not eligible for 4-H Elite Showmanship.
- FFA will be awarded separate ribbons.
- FFA youth will be identifiable through their dress in some way (pin, logo etc.)
- FFA youth are NOT eligible to show in any 4-H market or breed shows other than the Youth Livestock Sale Class and Showmanship.

Please be kind and courteous to FFA members, families and advisors as they navigate this new endeavor for FFA.

4-H PARTICIPATION A PRIVILEGE NOT A RIGHT

It is made possible by the generosity of:

Dutchess County which, through the Agency Partner Grant, partially funds the 4-H program throughout the year.

The Dutchess County Agricultural Society who donates over \$4000 in free tickets, contracts for show judges, provide space at no charge for all 4-H activities, provides staff to handle entries, provides approximately \$8,500 in premiums, fairground security, and expend hundreds of volunteer hours assisting 4-H staff in logistics.

CCEDC 4-H Volunteers – Club and Project Leaders, Evaluators, Committee Members and many others who help before, during and after the event. These individuals willingly provide *hundreds* of hours of vacation and leisure time to provide the 4-H members they love with this annual opportunity.

Donors and Supporters who provide funding and materials for clubs and events, such as the purchase of animals at the Livestock sale or the Special Award Sponsors.

Your CCEDC 4-H Team is ready and willing to provide the most educational and enjoyable experience possible at the Dutchess County Fair!

- ❖ **Know** that your 4-H Team has the best interests of ALL youth at heart.
- ❖ **Accept** that Barn Duties, Set-up, and Clean-Up are essential to 4-H.
- ❖ **Support** the volunteers/staff by ensuring full 4-H member participation.
- ❖ **Understand** that coordinators and 4-H members are human, be sure to give yourself, and others grace and understanding.
- ❖ **Take** the time to thank everyone involved.
- ❖ **Enjoy** the experience!
