NEW AROUND CAMP

A brand new sign was installed at camp this week. The sign was crafted by a local artist named Scott Petrino, and his family. His daughters attend camp too, and they helped build the sign before coming to camp. The sign marks the front entrance to camp. Many generations of campers have had their photos taken at the old sign, and camp is looking forward to the new sign welcoming families for generations to come.

GETTING TO KNOW RETRIEVER

Retriever is our Archery Specialist at Camp. This week, we sat down with him to get to know him a little better.

Favorite Color? Yellow

Something everyone should know?

Everyone is a person and deserves equal respect.

Have you had a Golden Retriever soda from the Camp Store? Yes! I think the Golden Retriever is the best soda concoction. Other drinks are good too though.

How do you feel about being the inventor of the Lobsta Claw? Im a big fan! Not about how it came about, but I am glad it was named that and not something else. Glad counselors and campers enjoy it.

CRITTER CARE

So many cute animals with different personalities. Turbo's favorite was Beans, but Vienna thought the opposite, because Beans did NOT like her.

DRAMA

Drama has so many fun improv games and they get to perform in front of all of camp.

RECHARGE

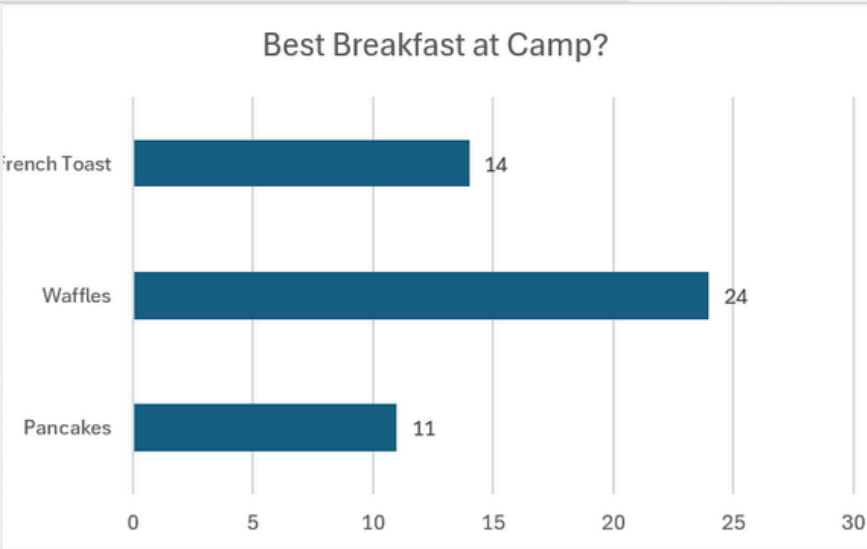

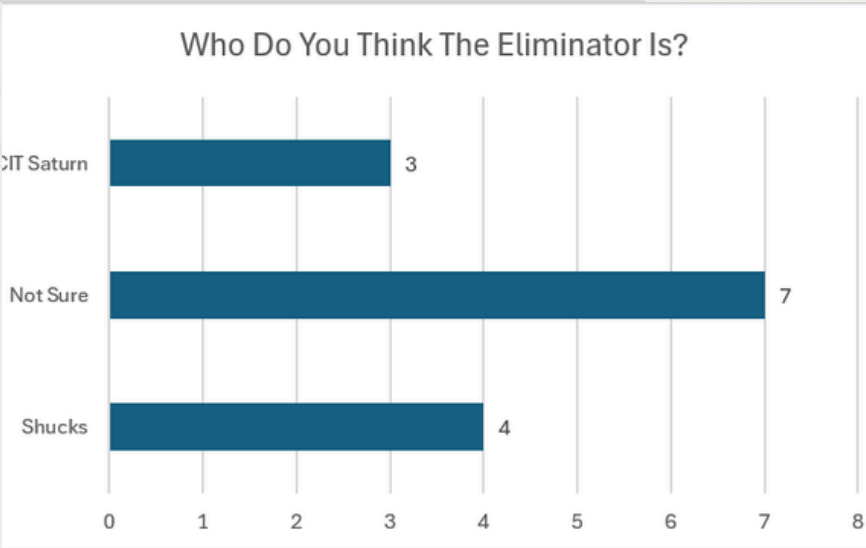

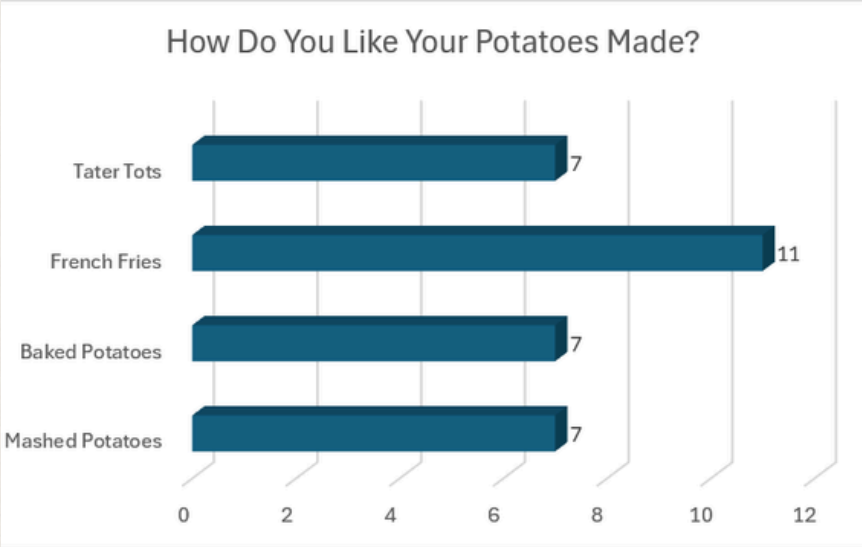

A place to decompress after all your classes. Camper Zoe told us that "playing games is so fun!"

Kenzie, Hayden and Macie were all on board, sharing that you can play games and relax in the Recharge class.

*Did you hear about the farmer who has a joke book?
It's pretty corny.*

DAILY POLL

Each day, we surveyed a handful of campers and staff about different aspects of camp life. Here are the results!
