Location:
3 West Main Street, suite 112
Elmsford, NY 10523

Field trip location on 10/24/26 TBD in Westchester county

Subsidized Price: \$50*

The course explores features of our garden practices that have a direct impact on the quality of our ecosystems, and specifically the Long Island Sound and Hudson River. New gardeners have a chance to discover the best landscape practices to support the Sound Shore communities and water. Those familiar with gardening have a chance to reconsider more environmentally appropriate approaches.
