

TRANSFORM TRASH INTO TREASURE!

Transform Trash into Treasure—All in a 2-Liter Bottle!

This hands-on project for Eco-Learners and Eco-Friends transforms (composts) ordinary food and yard scraps into magic food for plants...right inside a 2-liter bottle!

Bringing nature, science, and sustainability together, scouts will be empowered to make a difference in the environment one bottle at a time.

**Ready to start? Let's compost—
and watch your garden grow!**

HANDS-ON ACTIVITY

Learn by doing
and have fun!

TAKE HOME YOUR MINI COMPOSTER

Keep composting
at home!

LEARN THE SCIENCE OF COMPOSTING

Discover how nature
recycles waste!

YEAR-ROUND PROGRAM

\$12
PER SCOUT
