

Artisan Dried Floral and Herb Arrangement Class

Thursday, September 24, 6:00-8:00PM

**The Sustainable Living Center, Central Park, 180 PTL. Arthur Chaires Lane,
Schenectady, NY**

Join us for a hands-on workshop where you will design and create a one-of-a-kind dried floral arrangement set in a classic terra cotta pot. Using a rich combination of dried focal flowers, textured ornamental grasses, and structural botanicals, you will build a beautiful, long-lasting base. To elevate your design, you will learn to incorporate a canopy of fragrant, dried culinary herbs suspended above the arrangement using architectural dowels.
