

CAREERBOUND

Young Adult Employment Program

Summer Networking Opportunities

Summer brings great opportunity to build your professional network. Community events, job fairs, and volunteer opportunities provide opportunities to meet employers, learn about different careers, build your resume, and practice introducing yourself.

Job Fair Opportunities

Our Lady of Good Counsel Job Fair -
Wednesday, August 13th, 4-6pm

Job Corps Job Fair at the Southern Tier Community Center - Thursday,
September 24th, 1-4pm

Volunteer Opportunities

Volunteer in the Southern Tier at West Endicott Park - Wednesday,
August 19th, 4-7pm

The Broome County Humane Society
- Year round

Networking Tips:

- Introduce yourself with confidence.
- Ask questions about job opportunities.
- Be respectful and professional.
- Thank people for their time.
- Follow up if someone offers advice or a business card.

Congratulations to Leah on completing the **Construction Welding** program and landing a **full-time** welding position with **Raymond**! After previously graduating from the **Manufacturing Welding program**, Leah continued building her skills, and her hard work has paid off. We're proud of all she's **accomplished**!

"**BOCES**, along with **CareerBound** gave me the **hands-on experience** and **confidence** to start my career in **welding**. I'm now a **full-time welder** at **The Raymond Corporation**, where I continue to learn and grow every day. I'm **grateful** for where the program has taken me." - Leah

Seth is a dedicated young adult with many interests and talents. Seth's goal when they entered the program in Spring 2026 was to find a new **full-time** job, and just a few short weeks later they reached that goal by securing a position at **Texas Roadhouse**. Since starting, Seth has adjusted well to the role, demonstrated a strong work ethic, and continues to be a great fit with the team and work environment.

"**CareerBound helped me** search for a job that suited my skills and interests. They also helped me **gain the interview skills** to land a **good paying job** in a **field I enjoy**" - Seth
