Saratoga County Horticulture Tour

October 3rd, 2026
10am-2pm

Cornell Cooperative Extension
Saratoga County

ABOUT

The Saratoga County Horticulture Tour, presented by Cornell Cooperative Extension of Saratoga County, is designed to raise awareness of the local horticulture industry and connect the community with area growers. The tour features both guided and self-guided options, offering educational experiences and photo opportunities that vary by location. Visitors also have the chance to purchase products directly from participating farms, making it a great way to support local agriculture as you discover more about them.

TasteNY

Adirondack Welcome Center
1-87 North between exits 17&18
Queensbury, NY

Taste NY; New York's official eat-local, buy-local program, highlights the quality, diversity, and economic impact of food and beverages grown, produced, or processed in New York State. The program, which is administered by the NYS Dep. of Ag & Markets, aims to create market opportunities for participating producers. Over the last decade, Taste NY has supported nearly 2,000 food and beverage producers participating in the program. Taste NY's food and beverage businesses also support the State's farmers by using New York grown and produced ingredients in their products.
