My Biz Plan

Plan details

Unlimited talk, text and 5G/4G LTE data

- Unlimited talk, text and 5G and 4G LTE data; in times of congestion, your smartphone and mobile hotspot data may be temporarily slower than other traffic (network management).
- 5G access requires a 5G-capable device.
- Not available for 5G Ultra-Wideband access or machine to machine services
- Domestic data roaming at 2G speeds
- 480p video streaming
- This plan does not include usage in Puerto Rico, the Virgin Island, Guam or any other territory or possession of the United States

5 GB of 5G/4G LTE mobile hotspot data

- In times of congestion, your mobile hotspot data may be temporarily slower than other traffic (network management).
- After 5 GB per line per month, mobile hotspot reduced to speeds up to 600 Kbps for the rest of the month.

Call Filter

- Reduce spam calls with call screening, auto-blocking and easy reporting of unwanted numbers.
- Activation and app download required. Some device restrictions apply. Terms apply.
