December
12: Handmade Holidays
25: Office Closed - Christmas Day

Hello, 4-H families. My name is Jenn Reynolds, and I'm excited to introduce myself as the new 4-H Team Lead. Before joining the 4-H team, I served as the Ag Team Lead here at Oneida Co. CCE. I have a background in education as a high school science teacher, and I'm also interested in the performing arts, so I am excited to bring new ideas to our programming in the coming months!

In my free time, I really enjoy cooking, traveling, spending time with my dogs, and going for trike rides throughout the Mohawk Valley.

I'm passionate about helping young people discover their strengths, build confidence, and explore new interests. I look forward to getting to know you and helping 4-H grow and thrive!

🍀 2026 Oneida County 4-H Animal Science Show Results 🍀

What a summer for our Oneida County 4-H Animal Science exhibitors! Our youth put countless hours into caring for their animals, practicing showmanship, building their knowledge, and preparing for the show ring. We are excited to recognize their accomplishments from our 2026 Shows!

Ag in the Classroom

Fall Reading Challenge

Week 1: (Oct. 11th - 17th)

Find a cozy fall reading spot

Read a book about apples

Visit a nearby library

Spend 10 minutes reading

Week 2: (Oct. 18th - 24th

Read by a fire or candlelight

Make a bookmark with pressed leaves

Spend 20 minutes reading

Week 3: (Oct. 25th - 31st)

Find a place to read in nature

Read a book about pumpkins

Try a new fall recipe

Spend 30 minutes reading

Week 4: (Nov. 1st - 7th)

Read under a cozy blanket

Find a fall poem you enjoy

Check out a new library book

Spend 1 hour reading

Week 5: (Nov. 8th - 14th)

Share a book with a friend or family member

Visit a local bookstore

Spend 10 minutes reading every day

Week 6: (Nov. 15th -21st)

Make a warm fall drink to sip while you read

Read a book about being thankful

Spend 20 minutes reading every day

Dairy in the Classroom

The 2026 Dairy in the Classroom Milk Jug Decorating Contest

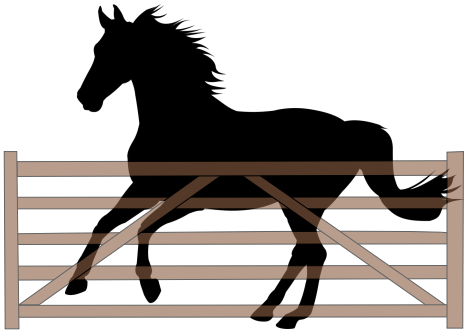

These 4th grade students from Albany Elementary in Utica spent this last school year working hard, not only on their grades but also learning with Dairy in the Classroom.

This program is designed to make real life connections between students everyday lives and the local dairy industry.
After participating in multiple activities they were challenged to decorate an empty milk jug that would reflect what they learned about their favorite topic.

These milk jugs were on display at the Boonville Fair this summer for the public to vote whose entry will come in first place.

HORSE PROGRAM UPDATES

We are working to find new leadership for our 4-H horse program. While some aspects of the program will change, our continued commitment to providing engaging opportunities for our 4-Hers! The program will continue to help members build their knowledge about horse care, develop riding and showmanship skills, and participate in horse bowl/hippology. We are excited to begin this next chapter of the Horse Program with you!

4-H Registration and Enrollment Links

We are putting all registration and enrollment links in one easy to find spot! All you need to do is use the link or QR Code to get to our Oneida 4-H linktree and voila!

It's a good idea to bookmark this page. That way you won't need to hunt for Facebook posts, emails, or other messages to find the registration link you need.

As we are incorporating the use of Qualtrics for registration/enrollment, the event registration page you may have used in the past is no longer a reliable source for 4-H information.

Any questions? Let us know!

Are we missing a link?
Contact Celeste at cmo95@cornell.edu and I will add it ASAP.

https://linktr.ee/Oneida4H
