# Goals

Identifying goals and how you are going to reach those goals is important to help you become more skilled and knowledgeable about your project and other parts of your life. Goals may be personal or specific to your project. Ask Yourself, what do I want to accomplish this year?

Record one SMART goal (**Specific, Measurable, Attainable, Realistic and Timely**) with two "TO DO'S" that will help you complete your goal. See

<b>Goal</b>	
<b>To Do Plan</b>	1.)  2.)

If your unsure what to do, who can you go to for help about your

# Goal Reflection

Goals help you to achieve more when you review them each year. At the END of the year, answer the following:

Did you meet your goal this year? Why or why not?	
Which "to Do" did you complete?	
What helped you be successful?	

## Project Completion

I declare that the information in this book is correct and all 4-H requirements, including Meat Quality Assurance training, have been completed to the best of my knowledge.
