A Guide for All Visitors

**Central Park Access Map**

**Central Park**

- First major urban public park in the United States.
- Designed by Frederick Law Olmsted (1858–1863) and Calvert Vaux (1862–1891), who won the competition to design the Park on April 28, 1858.
- Constructed from 1857 to 1873, this 843-acre Park is entirely human-made.
- Recognized as the premier public urban park in the world as well as one of the greatest works of American art of the 19th century.

**Central Park Conservancy**

The mission of the Central Park Conservancy is to preserve and enhance Central Park as a sanctuary where the people and pressures of city life are softened by the enjoyment and wellbeing of all.
