

HAIKU TOAST

Everyone make a toast to the new year, but the toast must be made in haiku format. Here's a refresher: The format is 17 syllables, in 5-7-5 rhythm. For example:

*This is a haiku.
Five syllables, then seven.
Then five more. Got it?*

GUESS THAT HUMDINGER!

Each person must hum their favorite song of the year - everyone else has to guess!

SIX-WORD MEMOIR

Take turns summing up the year in exactly six words.
For example:

*Drink La Croix, stay off Twitter
Who actually cares about Miley Cyrus?*
