

NEW YEARS ISLAND

If you could only watch three television shows next year, what three would they be? Go around the room and share answers.

RESOLUTION CHARADES

Think of a common resolution (bonus points if its one you're planning on sticking to in the new year), and act it out! Everyone else has to guess what the resolution is.

TWENTY QUESTIONS

Pick a noun (preferably one that was famous this past year), and have the group guess! They can only ask yes/no questions, and if they haven't figured it out in 20 questions, you win!
