THE EXHAUSTION GAME

Chose a category (for example: color, fruit, animals, Ben and Jerry’s flavors, etc.). Take turns saying one example from that category (as quick as you can!) until you exhaust the topic. The one to get stuck first loses!

ABC NAME GAME

Gather in a circle. Begin by saying the full name of a celebrity. The next player has to immediately name another celebrity using the first letter of the previous celebrity’s last name. For example: 1st player says, “Mindy Kaling,” then 2nd player says, “Kevin Hart,” 3rd player, “Harry Styles.” If a person says a celebrity whose first and last name start with the same letter (like Gal Gadot), switch directions!
