

# GRACE

FELLOWSHIP CHURCH

## **Sunday Home Service – January 10**

---

1. How would you articulate what “the kingdom of God” is to a non-Christian in a way they could understand?
2. Which of the four kingdoms of the world mentioned in today’s message do you most relate to at this time and why?
3. Consider the word “repent” in today’s passage. What is something you may need to let go of and turn from (an attitude, agenda, activity, etc.) in this new year in order to embrace God’s kingdom?
