**BUILDING FOR OUR FUTURE | PLEDGE GIVING** - For those of you with donations still left to complete, it would be very helpful from a timing perspective if you would scan the QR cod and provide your best estimate as to when you likely will be sending in your gifts, so we have this info for our planning purposes. **THE BRIDGE** - The Bridge is a series of three Sunday brunches from 12:30-3pm on March 8th, 15th & 22nd where we help people dive deeper into community. A value at Grace is that church is more than attending; it's a family gathering of God's children seeking to glorify God. Together we can strengthen our community by spending this intentional time together as we pursue his will. Please RSVP online.
