GRACE  
FELLOWSHIP CHURCH

## THIS WEEK AT GRACE

**EASTER BAPTISM CLASS** - Our next baptism will happen on Easter Sunday! We have a process we ask our people to go through prior to being baptized that involves a class to understand what the gospel is and the significance of baptism. Go to the website to RSVP.

**THE BRIDGE** - The Bridge is a series of three Sunday brunches from 12:30-3pm on March 8th, 15th & 22nd where we help people dive deeper into community. A value at Grace is that church is more than attending; it's a family gathering of God's children seeking to glorify God. Together we can strengthen our community by spending this intentional time together as we pursue his will. Please RSVP online.

**WISDOM FOR DIGITAL AGE**- Join us on April 26th from 3:00 pm - 7:30 pm to hear from Doug Smith, software developer and speaker. Doug will share a perspective on digital technology and Artificial Intelligence that is informed by his research, experience in software development, and the Bible. The evening will be divided into two topics: Family Discipleship in a Screen-Saturated World & Thriving in an AI Chatbot-Infested Age. Please scan the QR code to RSVP.

**GRACE SENIORS** - Save the date! Join us on March 28<sup>th</sup> at 6:30p as we have dinner with our Junior Higher students. Sign up form is in the foyer, contact Hazel with any questions
