

Hello Home Group Leaders!

Hopefully, all of you know that this Sunday is our annual Grace Picnic. As a result, there are no sermon notes for discussion. Instead, we are offering two options:

1. If you meet every other week or missed a discussion from the past two sermons ("Everything is Hevel", or "With Much Wisdom Comes Much Sorrow"), then we recommend you review the sermon notes and discuss them with your group.
2. Alternatively, below, we want to offer you a guided conversation that you can have with your group, continuing our conversations about Ecclesiastes.

We hope you have a fruitful time with your group this week and look forward to continuing with our sermon notes next week.

For Discussion

Can you think of instances when you felt you had "gained," only to find that in time you were dissatisfied again?

When has life frustrated your plans, or disappointed your expectations? How did you respond?

What do the lives of people you know reveal about what they think will make them happy?
What does your life reveal about what you think will make you happy?

What do you make of the idea that death can give us the perspective we need to begin to enjoy life?

How does the book of Ecclesiastes point us to Christ? How does the gospel change your perspective on the book of Ecclesiastes?
