"[Sophia] knows your picture in both albums and points and says Gamma Bis, She seems real smart, has gotten over her bad cold she had when she came and has a first rate appetite for hash and bread and butter. I think the voyage will do her lots of good . . . We finished loading last night and shall leave on Tuesday morning if we don't get off tomorrow night, the Lord willing. Our vessel is in beautiful trim and I hope we shal have a fine passage but I have never been in her before and cant say how she'll sail."
