Significance of the journeys

All the visits were made on occasion of the Jewish national and religious festivals... it was a holiday and Jews from all around would be there. It was also a time for the Jews to gather for their national and corporate acts of worship and service of God in the temple. While the ceremonies had their roots in Jewish history - more importantly they point to Christ, the Messiah

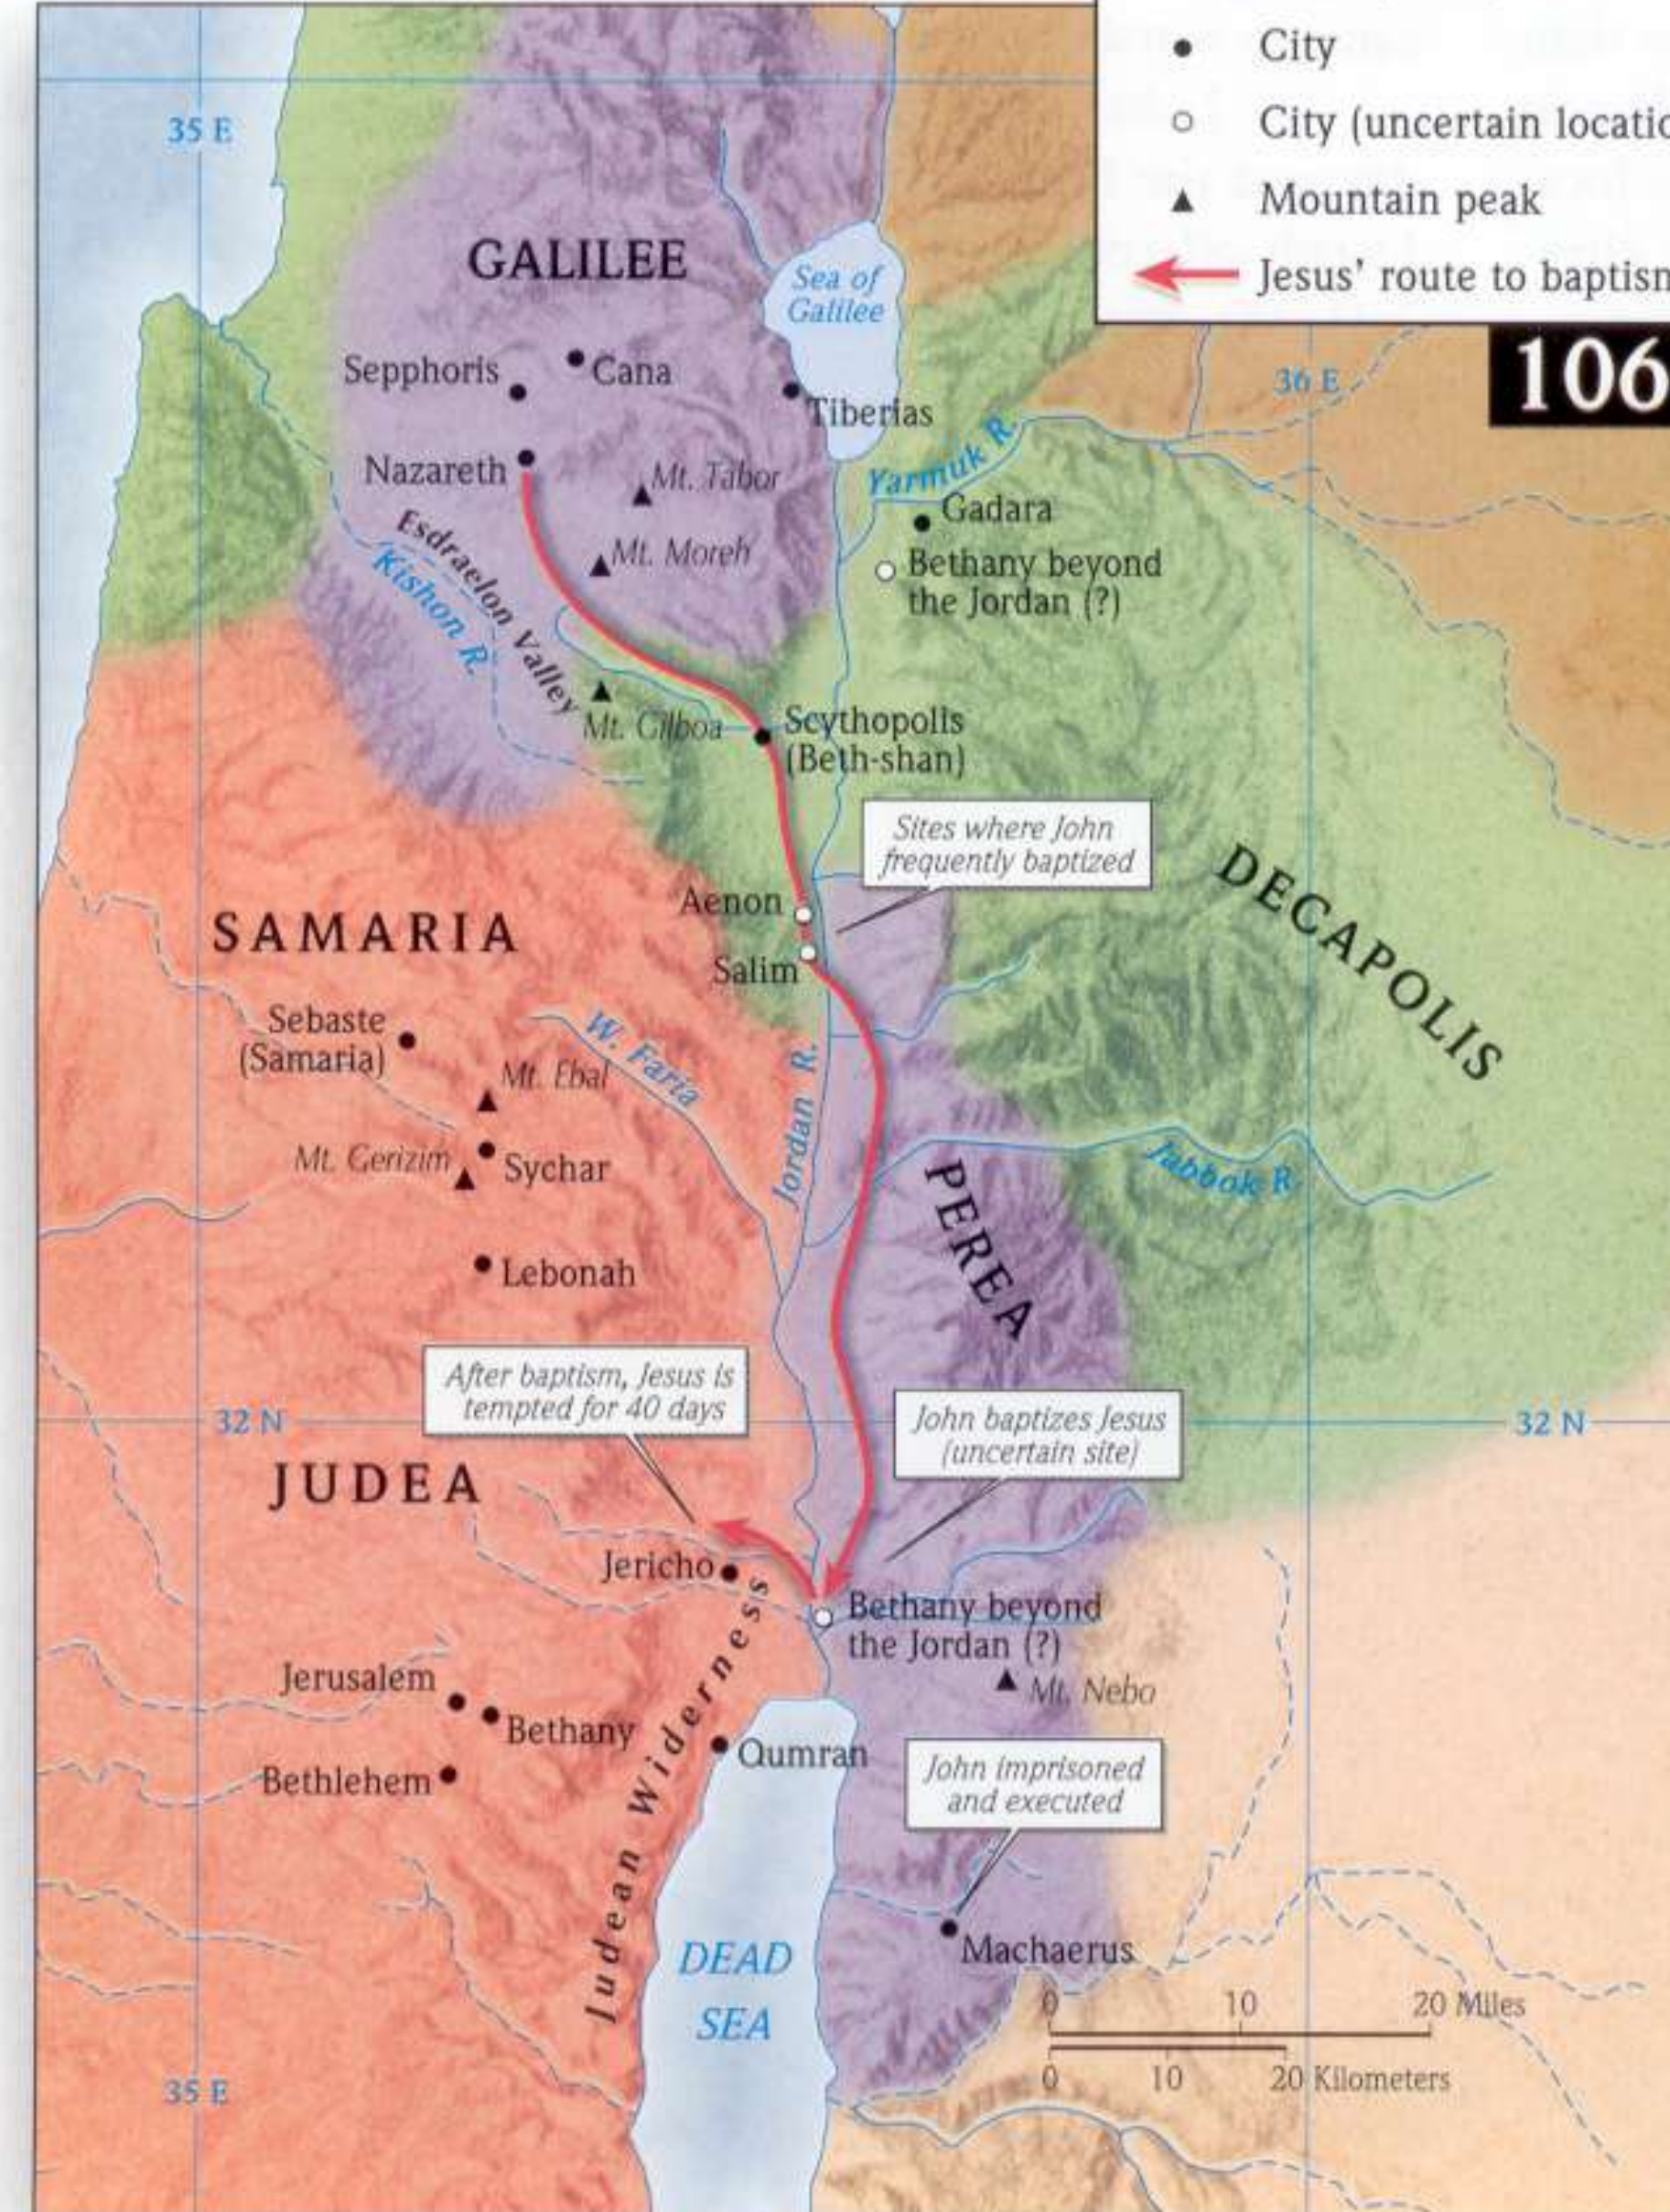

**And He (Jesus) went away again beyond the Jordan to the place
where John was first baptizing, and He was staying there**
