The screenshot displays the Tithe.ly interface for Hillview Bible Chapel. At the top, there is a blue header with the HBC logo and 'Login | Sign Up' links. Below the header, the organization's name 'Hillview Bible Chapel' and location 'Cupertino, CA 95014' are shown. The main form area includes a 'Give:' section with a '\$ 0.00' amount and a 'To:' dropdown menu currently set to 'General Fund'. A red arrow points to a 'Recurring Giving' checkbox. Below this, there are input fields for 'First Name', 'Last Name', and 'Email'. Payment methods are listed as 'Card', 'Bank' (which is selected and has a green checkmark), and 'Apple Pay'. Further down, there are fields for 'Routing Number', 'Account Num...', and a dropdown menu set to 'Individual'. At the bottom of the form, a large grey button says 'Give \$0.00' with a lock icon. A blue oval highlights a dropdown arrow at the bottom of the form. The footer indicates 'Powered by Tithe.ly'.

After scrolling down a few more options appear

**Red Arrow:**

cover the fees  
This will increase  
your gift amount  
by how much HBC  
would be charged.

This is completely  
optional, don't  
feel that you need  
to use this at all.

**Green Arrow:**

Note/Memo text.  
If you are  
submitting a  
designated gift,  
please make sure  
you indicate the  
designation here.

**Blue Arrow:**

This will  
remember you on  
your current  
device. This is similar to logging in and creating a profile, but this  
option will not remember you across multiple devices.  
I encourage you to create a profile to help with your records tracking,  
but you do not need a profile to give using this option.
