Reason

The image shows a detailed layout of a control panel for a software interface. It features a grid of buttons and sections. On the left, there is a vertical stack of controls including a 'Reason' logo, a 'Shift' button, and an 'Assignment' section with buttons for 'Send', 'Pan', 'Plug-in', 'EQ', 'FX', 'Plug-ins', 'Control Solo', 'Dyn', and 'Assignment 1'. Below this is an 'Automation' section with 'Redo' and 'Edit' buttons. The main area contains a grid of buttons, with a 'Functions' section at the top containing buttons labeled 'F1' through 'F8'. Below that is a 'Utilities' section with buttons for 'Save', 'Read/Off', 'Write', 'PO', 'End', 'Home', 'Mute', and 'Solo'. At the bottom is a 'Fader Controls' section with buttons for 'Left' and 'Right'. The panel is framed by a rounded rectangle with several circular indicators around the perimeter.
