

Setup up for your iKeyboard 3S controller section

The screenshot shows the Ableton Live 8 interface. The top bar displays the tempo (120 BPM) and the time signature (3/4). The left sidebar shows the arrangement view with a single track named 'Master'. The right sidebar contains the 'Help' window, which is open to the 'Lessons' section. The 'Lessons' section is highlighted with a red circle and the number 1, indicating the first lesson. The 'Lessons' section lists the following topics:

- What's New in Live 8
- A Tour of Live
- Recording
