File Edit View Create Options Help

Bitwig Studio - New 1

Bitwig Studio interface showing the Mixer and Piano Roll views.

The Mixer view displays the following tracks:

- Inst 1 (MIDI track, selected)
- Audio 2 (Audio track)
- S1 Effect (Effect track)
- Master (Master track)

The Piano Roll view shows a grid for Inst 1.

On the right side, the Browser - Configuration panel is visible, showing various locations for content:

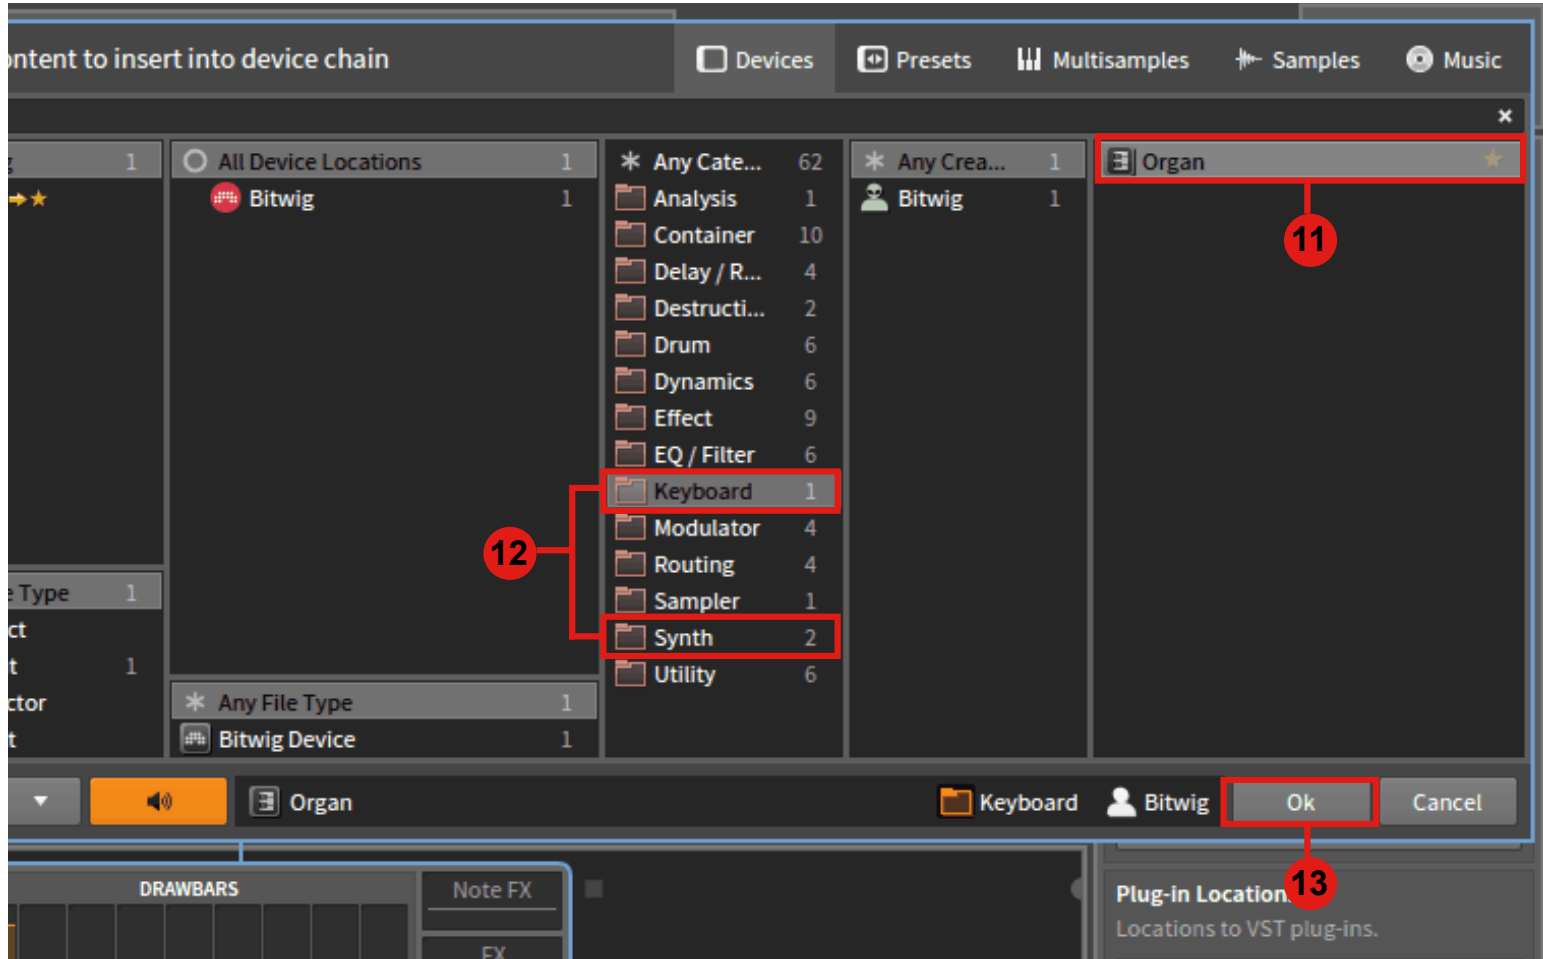

- Packages: Bitwig native content.
- My Library: Location where your own content gets saved to by default.
- Sound Content Locations: Locations for your own and third-party sound content.
- Music Locations: Locations used by the music tab.
- Plug-in Locations: Locations to VST plug-ins.

Buttons for "Open Package Manager", "Add Location", and "Add Location" are present in the Browser panel.
