Notices before using your Scan7

- Make sure you have plugged your Scan7's 3.5mm phone jack all the way into your device's headphone jack, therwise breaking sound may occur or no sound output at your Scan7 due to bad connection.
- Please avoid long period of usage of the headphone under high output level, otherwise this may damage your hearing ability permanently.
- Please increase your output level gradually when using the headphone to avoid any damages to your hearing ability.

Maintenance

- Increase the output level gradually to avoid sudden high output power and damage the headphones internal elements.
- Please do not drop the headphones heavily or this may damage or reduce the magnetic characteristics of the internal elements and damage the sound quality of the headphones
- Please make sure you plug in the headphone jack only to the HP output jack of your output device

If your Scan7 needs servicing, follow these instructions.
Check our online Help Center at **http://support.iconproaudio.com/hc/en-us** information, knowledge, and downloads such as:
1. FAQ
2. Download
3. Learn More
4. Forum

Very often you will find solutions on these pages. If you don't find a solution, create a support ticket at our online Help Center at the link below, and our technical support team will assist you as soon as we can.
Navigate to **http://support.iconproaudio.com/hc/en-us** and then sign in to submit a ticket.
As soon as you have submitted an inquiry ticket, our support team will assist you to resolve the problem with your ICON ProAudio device as soon as possible.

To send defective products for service:

1. Ensure the problem is not related to operation error or external system devices.
2. Keep this owner's manual. We don't need it to repair the unit.
3. Pack the unit in its original packaging including end card and box. This is very important. If you have lost the packaging, please make sure you have packed the unit properly. ICON is not responsible for any damage that occurs due to non-factory packing.
4. Ship to the ICON tech support center or the local return authorization. See our service centers and distributor service points at the link below:
