ASSORTMENT KIT **SULKY 40** TOPSELLER

ITEM NO.: 9461SORT1

The 27 most important solid colors of the **SULKY** color card – colors you need almost all the time- are now available in a handy drawer box. These miniking cones of 1000m (1,100 yds) each allow you to run sewing and embroidering tests of ornamental seams immediately.

In addition fabric color matching gets a lot easier with these miniking cones. The color effects of the actual threads are more precise than just comparing shades of the color card thus ensuring the perfect match when choosing colors.

The following color numbers are included in the box:

1176	1122	1005	1043	1202	1174	1035	1078	1070
