

GUNOLD®

POLY 40 ASSORTMENT TOPSELLER

ITEM NUMBER: 9616-27

This practical cardboard box contains 27 of the most important colors taken from the **POLY** color shade card – those colors which are always used.

The Miniking cones of 1,100 yds each are original cones which can be used for color samplings, small projects and first embroidery tests.

The following color numbers are included:

61212	61122	61005	61043	61438	61174	61035	61078	61070
61058	61231	61011	61535	61429	61051	61147	61024	61082
61128	61225	61001	61029	61045	61510	61019	61187	61901 <i>neon</i>
