

GUNOLD®

POLY FIRE ASSORTMENT

ITEM NUMBER: 9617SORT1

All 27 available colors – are included in this handy drawer cardboard box.

These miniking cones of 1,100 yds each allow you to run sewing and embroidering tests of ornamental seams immediately.

In addition fabric color matching gets a lot easier with these miniking cones. The color effects of the actual threads are more precise than just comparing shades of the color card thus ensuring the perfect match when choosing colors.

The following color numbers are included in the box:
